****Start song:**

Peddler:

It's a faraway place
Where the caravan camels roam
Where you wander among every culture and tongue
It's chaotic, but hey, it's home.
When the wind's from the east and the sun's from the west
And the sand in the glass is right
Come on down, stop on by
Hop a carpet and fly
To another Arabian night
As you wind through the streets
At the fabled bazaars
With the cardamom-cluttered stalls

You can smell every spice
While you haggle the price
Of the silks and the satin shawls
Oh, the music that plays
As you move through a maze
In the haze of your pure delight You are caught in a dance
You are lost in the trance
Of another Arabian night
Arabian nights
Like Arabian days
More often than not
Are hotter than hot In a lot of good ways
Arabian nights
Like Arabian dreams
This mystical land
Of magic and sand
Is more than it seems
There's a road that may lead you
To good or to greed through
The power your wishing commands
Let the darkness unfold
Or find fortunes untold
Well, your destiny lies in your hands

Cave Of Wonders:

within. A diamond in the rough.

Peddler:

Like Arabian days
They seem to excite
Take off and take flight
To shock and amaze

Cave of Wonders:

Peddler:

'Neath Arabian moons
A fool off his guard
Could fall and fall hard
Out there on the dunes

****Start song:**

Jasmine (singing) Here comes a wave

Meant to wash me away
A tide that is taking me under
Broken again
Left with nothing to say
My voice drowned out in the thunder
But I can't cry
And I cant start to crumble
Whenever they try
To shut me or cut me down
I can't stay silent
Though they wanna keep me quiet
And I tremble when they try it All I know
Is I won't
Go speechless

make you rich. Rich enough to impress a princess. But nothing comes for
free.

Aladdin:

Jafar:

Genie:

stand by my oath. Loyalty to wishes three. I said... oh... great... Excuse me. Boy, where's your boss? Help me out here, where's your boss? If I was gonna talk to myself, I coulda just stayed in the lamp. Hello! Um... (Aladdin shudders over trying to speaking shock on seeing the Genie)

Genie:

Aladdin:

Genie:

Giants are not real. Where's your boss?

Aladdin:

Genie:

There's always a guy, you know. He's cheated somebody or buried somebody or... I mean, you get my point. Where's that guy?

Aladdin:

Genie:

your personal business, but we gonna need to talk about that monkey later. Such a pretty little monkey. So, you rubbed the lamp?

Aladdin:

Genie:

Do you mind?
Aladdin Uh, are you asking me?
Genie; You're my master.

(Genie starts to sing Friend Like Me)

Genie:

thousand tales
Well, master, you're in luck because up your sleeve You got a genie that
never fails! Whoo! I'm the best. Yeah. Not enough, huh? I'm kidding. Watch
this.

****Start song:**

Genie:

wound me up! 'Boutta show you what I'm workin' with, unh!
Well, Ali Baba, he had them forty thieves
Scheherazade had a thousand tales
But, master, you're in luck because up your sleeves
You got a brand of magic never fails
You got some power in your corner now
Heavy ammunition in your camp
You got some punch, pizazz, yahoo, and how?
All you gotta do is rub that lamp
And then I'll say
Mister-Man, what's your name?
Whatever
What will your pleasure be?
Let me take your order,
I'll jot it down
You ain't never had
a friend like me

Life is your restaurant
And I'm your maitre d'
Come, whisper to me
whatever it is you want
You ain't never had a friend like me
We pride ourselves on service
You the boss, the king, the shah!
Say what you wish, it's yours!
True dish
How about a little more baklava?
Have some of column A
Try all of column B
I'm in the mood to help you, dude
You ain't never had a friend like me
Oh!
Unh!
It's the big part
Watch out!
It's the big part
Oh!
Can your friends do this?
Can your friends do that?
Can your friends pull this
Outta they little hat?
Can your friends go
I'm the genie of the lamp
I can sing, rap, dance, if you give me a chance, oh!
Don't sit there buggy-eyed
I'm here to answer all your midday prayers
You got me bona fide, certified
You got a genie for your charge d'affaires
I got a powerful urge to help you out
So what's your wish?
I really wanna know
You got a list that's three miles long, no doubt
All you gotta do is rub like so
Mister?

Aladdin:

Genie:

One wish or two or three
Well, I'm on the job, you big nabob
You ain't never had a friend, never had a friend

You ain't never had a friend, never had a friend
You ain't never
Never
Had a
Had a
Friend
Friend
Like
Like
Me!
You ain't never had a friend like me

Genie:

please, please. You can thank me outside. I-In the sun. When you wish us out.

Aladdin:

Genie:

instructions! Obviously you can't dance and listen at the same time. So here's the basics: Step one. Rub the lamp. Step two. Say what you want. Step three. There is no step three. See? It's that easy. You get three wishes. They must begin with rubbing the lamp and saying "I wish". Got it?

Aladdin:

Genie:

is enough. Now, I can't make anybody love anybody. Or bring anybody back from the dead. Feel free to interrupt me anytime you don't understand. I'm kidding. Don't ever interrupt me, no matter what. Now, I usually don't have to go through all this because by the time the guy gets to me, he pretty much knows what he wants and it generally has to do with tons of money and power! Do me a favor, do not drink from that cup. I promise you, there's not enough money and power on Earth for you to be satisfied. Good? So, what's your first wish?

Aladdin:

only three. Why are there only three, anyway?

Genie:

Aladdin:

Genie:

all-knowing. I said I was all-powerful. The most powerful being in the universe. Look, whatever I don't know, I know I can learn it. Outside in the sun. Why you playin' hard to wish? I know you can't tell, but I'm very pale. This is sky blue. My natural pigmentation is navy. Give us some sun!

Aladdin:

Genie:

carpets, camels and caravans. Please don't forget to tip your genie on the way out. Hold yourself, kid! Whoo! Whoa. Man, look at this world. It's so... big. Inside the lamp, everything's like, brass! Brass! Brass! Brass! Like, ooh, is that some copper? Nope! Brass! Sorta the problem with the genie life. Phenomenal cosmic powers, but itty-bitty living space.

Aladdin:

Genie:

Aladdin:

Genie:

Aladdin:

I take you back to Agrabah, won't people...?

Genie:

Aladdin:

Genie:

you gonna wish?

Aladdin:

Genie:

Aladdin:

Genie:

wish to be free. To not have to say, Can I help you? What would you like? Welcome to the lamp. May I take your order please? Freedom. I wish to be... To be human.

Aladdin:

Genie:

myself free? Only way a genie gets to be free is if the owner of the lamp uses one of his wishes to set him free. And the last time that happened was, like, the fourth of Never-ary.

Aladdin:

Genie:

cave, remember?

Aladdin:

Genie:

Oooh! The old monkey-with-the-lamp trick. Never seen that one before. Keep my eye on you.

Aladdin:

Genie:

you want.

Aladdin:

Genie:

Aladdin:

Genie:

Aladdin:

Genie:

say.

Aladdin:

Genie:

so.

Aladdin:

Genie:

Aladdin:

marry a...Hey, can you make me a prince?

Genie:

just... make you a prince.

Aladdin:

Genie:

your life.

Prince:

Genie:

Aladdin:

Genie:

you, why change?

Aladdin:

Prince:

Genie:

An official wish this time,
for those of us
who are counting,
which now, I am one.

Aladdin:

Genie:

Aladdin:

Genie:

Aladdin:

Genie:

you.

Aladdin:

Genie:

Aladdin:

Genie:

gonna work. I'm feeling a periwinkle.

Aladdin:

door down. Gotta go bold! Gotta... gold! Aah, no! We've gone too far.

Aladdin:

Genie:

beige, bone, Albion. It's a little heavy. Oh! And the crowd goes wild! Oho! The Genie! The Genie's on fire! The Genie's on fire, folks. Somebody cool me down! Somebody put me out! I'm too much! So what do you think?

Aladdin:

Genie:

Aladdin:

Genie:

But I hear you.

Aladdin:

Genie:

People see what they're told to see. Aladdin: Right. Who am I?

Genie:

Aladdin:

Genie:

Aladdin:

Genie:

little hot in the summer, temperate in the fall. I-I'll let you read it en route.

Aladdin:

Genie:

moonwalking monkey? Uh-uh, hold it there, Abu. Donkey. Too small. No. Too obvious. We need something robust. Relax, Abu. It's just for a minute.

Aladdin:

Genie:

Aladdin:

Guards:

Clear the way!

Clear the way! Clear the way!

****Start song:**

Crowd:

Genie:

Clear the way in the old bazaar

Hey you! Let us through!

It's a brand new star

Oh come, be the first on your block to meet his eye!

Make way! Here he comes!

Ring bells! Bang the drums!

You're gonna love this guy

Prince Ali!

Fabulous he!

Ali Ababwa

Show some respect, boy, genuflect

Down on one knee

Now, try your best to stay calm
Brush up your Friday salaam
Then come and meet his spectacular coterie
Prince Ali! Mighty is he!
Ali Ababwa
Strong as ten regular men
Definitely!
He's faced the galloping hordes
A hundred bad guys with swords
Who sent those goons to their lords?
Why, Prince Ali
Fellas, he's got
He's got seventy-five golden camels
Now the ladies, what he got?
Purple peacocks, he's got fifty-three
Uh-uh-uh, uh-uh-uh, uh-uh-uh
When it comes to exotic-type mammals
Everybody help me out!
He's got a zoo
I'm telling you
It's a world-class menagerie
Prince Ali!
Handsome is he
There's no question this Ali's alluring
Ali Ababwa Never ordinary, never boring
That physique!
How can I speak?
Everything about that man
Weak at my knees
Just plain impresses
You yummy boy!
So, get on out in that square
He's a winner, he's a whiz, a wonder
Adjust your veil and prepare
He's about to pull my heart asunder
To gawk and grovel and stare
And I absolutely love
At Prince Ali, oops
The way he dresses
He's got ninety-five white Persian monkeys
He got the monkeys, a bunch of monkeys
And to view them he charges no fee
He's generous, so generous
He's got 10,000 servants and flunkies

Proud to work for him!
They bow to his whim, love serving him
They're just lousy with loyalty to Ali!
Prince Ali!
Prince Aaaa
We waitin' for you!
Aaaa
We're not going 'til you go!
Aaaa Aa-aa Aaaa
You can do it!
Aaaa
There it is!
Prince Ali!
Amorous he!
Ali Ababwa
Heard your princess was hot!
Where is she?
And that, good people, is why
He got all cute and dropped by
With sixty elephants, llamas galore
For real?
With his bears and lions, a brass band and more
What?
With his forty fakirs
Oh!
His cooks, his bakers
Oh!
His birds that warble on key
Oh!
Make way For Prince Ali

Genie:

Jafar:

Both Aladdin & Genie: Well, it's north. It's south.

Aladdin:

What?

It's near, if you were to go... it's... it's...

Around there, you can find it,

if you just look.

Don't help me.

The world is changing

quickly, Jafar.

It seems as if there is
a new country every day.

Don't touch me.

Don't touch me.

Well.

Yes!

You are very wise.

Um, tell him that we have
gifts, please.

Oh, right! We have things! Gifts! Did you organize this? Bi-baba! Yes, here we are! Gifts. Coming right up. We have spices. Golden camels. And spoons, tiny spoons. Spoons! How do they make 'em that tiny? We have jams! - Jams? - Jams. Yes, jams! Yam jams. Fig jams. Yam jams! And date jams. Seedless. Delicious, e-exotic jams. Move. Away. From the jams. - What? - We have jewels. Jewels! We have them. And, uh, that! Over there. Hidden for... suspense. Wfoo. Ta-da. It's a... wheel? It's a... very expensive. And what do you hope to buy with this... expensive? You! Wow. No! No, no, no, no! A moment with you. A moment... that's not... Pkkfff. Are you suggesting I am for sale? Of course. Not! No, of course not! No! It's cold, and it's dark in that lamp. But I prefer it to this. Please excuse me, I... need to go and... find some bread. For the jams. No, no, that's not what I meant. I...

You did great. That's not what I meant. Just leave her alone. You didn't do great. You will... get a chance to speak again. We hope you can join us tonight, Prince Ali, when we celebrate our harvest. Of course, Your... Serene Self. We will join you. Smooth. In 10,000 years, I've never been that embarrassed. Don't worry. You are not out of the game yet. Just do whatever you normally do at a party. I've never been to a party. What? What? Oh, you gonna need to go back to the room then. You're not messin' up my night. Prince Ali. May I have a word? Privately? This doesn't concern your servant. Be over there, minding my business. I know who you are. You do? Yes. You're a man of great ambition, like myself. I, uh, I don't believe we've been properly introduced. Jafar. Vizier to the Sultan. I could be a valuable ally to help you get what you want. I, uh, I will think on that. I don't wanna keep the Princess waiting. Perhaps I'm not making myself clear. This offer will not be on the table for long, you see. Prince Ali... Excuse me. Prince Ali, your presence is requested. So I guess that's the guy. Mm-hmm, that's the guy. Okay, there she is. This is your chance. You know what? There are a lot of people. I don't think I can do this. - You'll be fine. - Okay. This one's gonna be easy. Ooh! Look at her handmaid. She's gonna get some punch. Feelin' a little thirsty myself. No. No, no, no, no. You can't leave me. - They'll see right through me. - No, they won't. All you have to do is walk over there. And speak. I also have to speak. Okay, listen to me. I live in a lamp. But this is a party. Do not mess this up for me. Okay? I'd like to party. Go get her! Okay. Mm-hrm. Princess Jasmine! You! You're... still here. Yas. What you doing? Hmm? What are you doing? I'm just making sure the water's... a good temperature. Why are you not over there? How am I supposed to compete with that? Look at him. He's so princely. You have got to be more confident about what you have to offer. What do I have to offer? Knowledge of how to steal food? How to jump between buildings? Now, Prince Ali, he has jewels. Stop, stop, stop. I made you look like a prince on the outside. I didn't change anything on the inside. Prince Ali got you to the door. But Aladdin has to open it. Oh. See, the sultan does like me. Okay, well, maybe he'll let you be his wife. Look at that. Another prince more interested in Baba. I don't know. I think this one might be different. And he comes with an incredibly attractive friend. Please make it work. And what about Prince Ali? Oh, look at him, he's trying so hard. And that's the problem. Showtime. No, I'm waiting for the right moment. No, no. No waiting. We're done waiting. No. I'm in charge, okay? I say when it's the right moment. Really? Really? He's here. Say something. Act natural. Hi! I'm sorry... for the... The jams. And the jewels, and the-and the... And the buying you. That wasn't me. It-It was me. I don't, I-it was me. I don't have a twin or anything. But, uh, I... um... - You're... - Dance? I'd love to. Yes. Go. Go. Something very strange about him. Keep a close eye on Prince Ali. Walked out. Maybe I went a tad far with the backflip, but that dance may be the best thing you ever

do in your life. I was pretty good. But nothing seems to impress her. Yeah, it's crazy. Not gems or jams or jewels. If I can't impress her, I wonder who can. What's that supposed to mean? I'm just sayin' try being yourself? But she has to marry a prince. If I just had a few more minutes with her, I know I could... - You need to get me over there. - Is that an official wish? No. It's a favor... for a friend. Ooh, yeah, see, genies don't really have friends. I thought you said you never had a friend like me? No. I said you... never had a friend like me. When you're a genie, somebody always wants somethin' from you. I-It's awkward. You're right. You're right. Besides, it would've involved distracting a certain handmaiden... Ooh! Ha! See what you're doin'. You hooked me. See you there? Good evening. How did you get past the guards? Oh, uh, I snuck past. All 48 of them? Even the ones that eat fire? Impressive. That's why I'm, uh... That's what people say about me. Oh, that-that didn't come out the right way. No one says that. I-I don't know why I said that. They're beautiful. She will hate them. Tell Prince Ali, the way to her heart is through her mind. Actually, these are from me... to you. Could you excuse me one moment? Wait, just... "That's what people say about me." Come on, Genie! My favorites. I accept. Please continue. I was noticing how... pleasant the evening is. At the party, I noticed... you noticing how... pleasant I am. Right. How's this going? It's clumsy, but in a charming sort of way. Uh, a stroll. Would you like to take an evening stroll? Just the two of us? On purpose? Yes. As people. Just one more second. Okay. Why would I say "as people"? The kid is contagious. I've never done this before. How does it work? Do you like sheep cheese? Come in. Actually, I'm already in. Don't move. I just came back... because you left so... How did you get there? Magic carpet? Hmm. Actually, I'm glad you are here. You are? I've been trying to find Ababwa, but it doesn't seem to be on any of my maps. Care to show me? I'd love to. Oh, Rajah, let's not eat the Prince today. He needs his legs for dancing. Did I go too far with the backflip? A little. Ababwah? Yes. Genie, I need to find Ababwah. The other brother, the short one. Not the one who gifted me a goat. She has lots of maps. Ababwah, of course. Ababwah. Yak napkins are not easy to find. Have you lost your country? My country? No. No. There it is. I don't think so. I've been... There it is! How did I not see that? Who needs maps anyway? They're old and useless. And have no practical value. Maps are how I see the world. I thought a princess could go anywhere? Not this princess. Uh, well, uh, would you...? Would you wanna...? Sorry. Sorry. Rajah. Thanks... for that. I-I was saying... You should see these places. I mean, there's a whole world outside of books and maps. Do you want to? How? The door's guarded. Who said anything about a door? What are you doing? Sometimes Princess... Sometimes, you just have to take a risk. What just happened? What? Is this...? A magic carpet. Do you trust me? What did you say? Do you trust me? Yes. I can show you the world Shining, shimmering, splendid Tell me, princess Now when did you last let

your heart decide? I can open your eyes Take you wonder by wonder Over, sideways and under On a magic carpet ride A whole new world A new fantastic point of view No one to tell us, "No" Or where to go Or say we're only dreaming A whole new world A dazzling place I never knew But when I'm way up here It's crystal clear That now I'm in a whole new world with you Now I'm in a whole new world with you Unbelievable sights Indescribable feeling Soaring, tumbling, freewheeling Through an endless diamond sky A whole new world Don't you dare close your eyes A hundred thousand things to see Hold your breath, it gets better I'm like a shooting star I've come so far I can't go back to where I used to be A whole new world Every turn, a surprise With new horizons to pursue Every moment, red-letter I'll chase them anywhere There's time to spare Let me share this whole new world with you A whole new world A whole new world That's where we'll be That's where we'll be A thrilling chase A wondrous place For you and me Of all the places you've shown me, this is by far, the most beautiful. Sometimes you just have to see it from a different perspective. It's them, the people. They make it beautiful. And they deserve a leader who knows that. I don't know why I think it could be me. Because it should be you. You think so? Does it matter, what I think? Oh, look at that adorable monkey down there. Is that Abu? No, no, it couldn't be Abu, he's... So, how many names do you have, Prince Aladdin? No, no, I... So, who's Prince Ali? I am... Prince Ali. But how would you know the city so well? I came to Agrabah early. Because to know a people, you have to see them for yourself. But you already know that. When we first met, you were disguised in your own city. You saw us arrive with dancers, an elephant, and a magic carpet. How could a street thief have all that? But how could I not recognize you? People don't see the real you when you're royalty. I'm sorry. I'm embarrassed. I mean, you've seen more of Agrabah in days than I have in an entire lifetime. We should... probably head back. Already? Until tomorrow, Princess. Good night. Good night. Yes. Woo-hoo! Fascinating. Ooh! I like that face. - Good date? - The best. But it was better than the best. She figured out I was Aladdin. You said that wouldn't happen. Wow. I mean, genie magic is really just a facade. At some point, the real character's always gonna shine through. But that's a good thing, right? Now, she knows. - Well... - Well, what? He told me he was only pretending to be a thief to see the city. But he's actually a prince. I convinced her that I really was a prince. And you believed him? And she believed you? I think so. Eventually, you are going to have to tell her the truth. Eventually, I will tell her. Anyway, I sort of am a prince now. Oh. So you're gonna drink from that cup. You don't think maybe you want to believe him because you have to marry a prince but you can't marry a thief? No. I believe him. I do. When the time is right, I will tell her. Morning? Morning. Not again. Please, please, I... Gentlemen. I-I think there's been some sort of confusion. I don't think you know who I am. Oh, no, no. I know who you are. Aladdin.

Aladdin? Aladdin. I don't know who that is. I-I'm Prince Ali... Street rat. Of-Of Ababwah. A prince from a kingdom that doesn't exist. Who now possesses a magic carpet from the Cave of Wonders. Seems to me, the only way that's possible, Where's your monkey? is if you found a certain treasure. My treasure. Where's the lamp? This clearly, is some sort of misunderstanding. I'm Prince Ali. If I throw you off of that balcony, and you are who you say you are, you will die a watery death. If you survive, it can only be because of the lamp. In which case, I will have my answer. For the last time... Where is the lamp? Listen to me. I don't know who you think I am. - Goodbye, Aladdin. - No! Hmm. What in the...? Oh! Hey, kid! Okay. I can't get you out of this unless you make a wish. You have to make a wish! Come on, wake up! Okay, try and form the words. "I wish." Kid, come on, wake up! Wake up. You need to think. Think, think. Think. Okay. Okay. A little gray area here, but it's worth a try. I, Aladdin, being of sound body and mind, declare that my second wish is to be saved from certain doom. I took the liberty to backdate that a day. I hope you don't mind. Yes! Here we go! Come on! Come on, kid! Kid! Kid, please. Come on. Wake up. Wake up, wake up. Kid! Wake up, please. Ew. Probably coulda done that the other direction though. How you doin'? Thanks, Genie. Hey, no problem, uh, I was in the neighborhood. I thought you said no favors? I wa-I wa... I thought you said no friends? Right, uh... It actually cost you a wish. Whatever it cost. You saved my life. Yeah, that's true. I mean, strictly speaking though, it was a team effort. Thank you. We have to stop Jafar. That's not gonna be easy. The Sultan trusts him completely. He has everybody fooled. Maybe not everyone. I overheard Prince Ali talking to his advisor about returning with an army to conquer Agrabah. What? Now it appears he's fled in the night. Jasmine. You heard him say this, Jafar? And you saw him leave? Uh-oh. Yes. With my own ears and my own eyes. So, what's the problem now, Princess? This is the problem, Jafar. If what you say is true, why is Prince Ali still here? Your Majesty. Prince Ali. This is a surprise. Your Highness, your advisor's not who he says he is. Oh. I'm not who I say I am. Baba, he tried to kill Prince Ali. Jafar, can you explain this to me? Yes. My Sultan... You know my loyalty belongs to you. Your loyalty. Your loyalty. Yes. Prince Ali, you invited yourself into our city. And we welcomed you as our guest. But I believe your intentions are... deceitful.

You are a grave
danger to Agrabah,
and you shall be
dealt with as such.

Baba, what are you saying? Enough, Jasmine! Jafar told me of Prince Ali's ambition. The staff. He's here for my throne. Hakim! Baba? What happened? He had you under a spell. He's not to be trusted. Your Majesty. He wants your throne. Jafar, you were my most trusted advisor! Hakim! Put him in the

dungeon! You should think about how quickly the sands of power shift in the storm, Hakim. I am loyal to my sultan. As you should have been. The law is the law. Prince Ali, I must apologize. Well, Your Highness, there's something I... I'd like to explain. Your honor and integrity will never again be questioned here in Agrabah. - I... - A more noble and sincere young man has never graced the chambers of this palace. - Well, uh... - Wow. I would be honored - to call you my son. - Oooh. If that... were something anyone wanted. So you got the girl. I mean, trust me, I had my doubts after your whole jam debacle. But y-you pulled yourself back together a little bit. I did, didn't I? I think I finally got the hang of being a prince. Oh, well, that-that's not exactly what I meant. But you were right. People see what they wanna see. Aladdin is gone. I'm Prince Ali now. Wow. Got it all figured out now, huh, kid? And you know, I was thinking about my last wish, and I just... I can't do this without you. I know I told you I'd use it to set you free, but you heard the sultan. I can't let everything that we've worked for fall apart. So... You just never tell her the truth? You're gonna keep living the lie? It's not a lie. People can change. Heh, oh, they can change, all right. And? That's a bad thing? Everything's better now. No one got hurt. You'd rather me be back on the streets stealing to survive? I... thought you'd be happy for me. But all you cared about was that I use my last wish to set you free. Wow. Kid, I don't care nothin' about that wish. This is about you. What's happening to you. You'd rather lie to somebody you love than give all of this up. You don't get it, Genie. People like me don't get anything except by pretending. I think, maybe, you don't get it. The more you gain by pretending, the less you're actually gonna have. 10,000 years, I have never once, ever... called a master a friend. I broke the rules for you. I saved your life... and for what? You are breaking my heart here, kid. You're breaking my heart. Genie, no. Hey, come on! Master. Who does he think he is? He's supposed to serve me. I'm the same as I always was on the inside, right, Abu? Hey! Aah! Are you kidding? Now, why would you rub the thing under the...? archway. Riffraff. Street rat. Would they Think that If they look Much closer? Still, I can't play a prince here No, siree Gotta tell the truth I can't pretend Even if it means This dream will end Even if She walks away From me Jafar. You should have left Agrabah while you had the chance. Why leave when the city belongs to me now? It's over, Jafar. Over for you. I've endured your spineless incompetence for long enough. Hakim. Own throne. Genie! For my first wish, I wish to be Sultan of Agrabah. What? As you wish, master. No. Hakim! Hakim! You obey the sultan. So you obey me now. You know the law, Hakim. No. My Sultan! - My Sultan! - My Sultan! Hakim. Marshal an army to invade Sherabad. - Sherabad? - You cannot... I think we've heard enough from you, Princess. It's time you start doing what you should've done all along. Stay silent. Guards! Remove her! Control that cat if you know what's good for you. Rajah. Rajah. It's all right. - Don't

touch her! - Baba. Jasmine. Written in stone Every rule, every word
Centuries old and unbending Stay in your place Better seen and not heard
Well, now that story is ending 'Cause I I cannot start to crumble So come
on and try Try to shut me and cut me down I won't be silenced You can't
keep me quiet Won't tremble when you try it All I know is I won't go
speechless Speechless Let the storm in I cannot be broken No, I won't live
unspoken 'Cause I won't go speechless Try to lock me in this cage I won't
just lay me down and die I will take these broken wings And watch me burn
across the sky And it echoes saying I won't be silenced Though you wanna
see me tremble when you try it All I know is I won't go speechless
Speechless 'Cause I'll breathe When they try to suffocate me Don't you
underestimate me Cause I know that I won't go speechless All I know is I
won't go speechless Speechless! Hakim! Hakim! Take her away! Tell them,
Hakim. You were just a boy when your father came to work the grounds. But
you have risen up to become our most trusted soldier. As a man, I know you
to be both loyal and just. But now, you have to choose. Duty isn't always
honor. Our greatest challenge isn't speaking up against our enemies, but
defying those whose approval we seek the most. Jafar is not worthy of your
admiration nor your sacrifice. I wish nothing but glory for the Kingdom of
Agrabah. No. You seek glory for yourself. And you would win it off the
backs of my people! Hakim. These men, they will follow where you lead, but
it's up to you. Will you stand silent while Jafar destroys our beloved
kingdom? Or will you do what is right... And stand with the people of
Agrabah? My Princess. Forgive me. My Sultan. Hakim. Guards! Arrest the
Vizier. Rub the lamp. So this is how it will be. Not even the title of
sultan would wake the herd from their sleep. I should have known. If you
won't bow before a sultan, you will cower before a sorcerer. Genie! I wish
to become the most powerful sorcerer there is. As you wish, master. This
could be fun. Hakim. I had such big plans for you. But now... you are no
longer of any use to me. Perhaps your men would like to follow you to the
dungeon. You too. Prince Ali! If it isn't our Prince Ali... Ali! Or should
I say... Aladdin. Aladdin. He's been pretending the entire time. An
impostor. There is no Prince Ali. There never was. He's nothing but a lying
thief. I'm sorry. You're insignificant. An irritation I no longer need to
tolerate once I... ensure your agonizing death by banishing you to the ends
of the earth. No! No. No. No. Abu! I could simply kill you all. But that
would be inadequate repayment for years of humiliation and neglect.
"Remember your place, Jafar." "You forget yourself, Jafar." - Jafar. - No.
What you need, Baba, is to suffer. Like I have suffered. Baba? Watching me
rule your kingdom be enough? Stop! But watching my armies devour your
toothless allies... Please, make it stop! No, the most suitable punishment
would be to make you watch - while I take what you love most. - No! - Baba!
- And marry your daughter. No! No! She will never marry you. I will do as
you wish! Make it stop! Make it stop. Abu! Abu! Abu! You okay? Let's get

outta here. No. Your Highness, Sultan. In honesty and sincerity, - do you accept Princess Jasmine... - Yes. Yes, I accept. Princess. Princess Jasmine, do you accept the Sultan to be your husband? Come on, woman! Accept. I... Yes? I... Do not! - The lamp, the lamp! - Ah! Stop her! No, Jasmine! No! No! No! The lamp! Iago! - Are you okay? - Yes! Hold on! The lamp! Abu! Carpet, get me up there! Abu! Jump! You are nothing without your staff! Nothing! Carpet! Jasmine. Punish them. Punish them. Genie should witness.

Jafar:

had the chance." I told you before to think bigger. You could have been the most powerful man in the room. But now, I hold the lamp. I hold the power.

Aladdin:

I tried and failed, and so will you.

Jafar:

world has ever seen. I will create an empire that history cannot ignore. I can destroy cities. I can destroy kingdoms. And I can destroy you.

Aladdin:

There will always be some thing, some man, some being more powerful than you.

Genie:

Aladdin:

Jafar:

Aladdin:

You said it yourself, you're either the most powerful in the room, or you're nothing. You will always be second.

Iago:

Jafar:

will ever say these words again! Genie, for my final wish, I wish to become the most powerful being in the universe! More powerful than you!

Genie:

being in the universe, coming right up!
[Genie transforms Jafar into a genie]

Jafar:

And I thought I had power before! First, I'll lay waste to those fools in Sherabad.

[as he tries to use his magic to destroy Sherabad, his own shackles appear]

Jafar:

Aladdin:

Jafar:

Aladdin:

cosmic powers...

Genie:

master, goes back in their lamp.

[Jafar's prison lamp appears taking his base]

Jafar:

what you have done to me!

Iago:

Jafar:

sucked into his lamp]

No!

Baba!

- Baba.

- Come on.

A couple thousand years in the Cave of Wonders ought to cool you off.

Wait... wait.

How can I ever thank you?

Oh, no, no.

You don't need to thank me. But I hope you accept my apology. I'm sorry... to the both of you. Especially you. You deserve... so much. We all make mistakes. Aladdin. I hope you find what you're looking for. Ooh, that's a bit of a mess there, Abu. Let me take care of that for you. Cute. Ah-ah-ah. No. No long faces, all right? I got an idea, all right? It's your last wish. Royalty was the right idea, okay? We should just rip on that a little bit. All right, here's what I'm thinkin'. Aladdin, warrior prince! A noble heart in a land where thieves run feral. Jasmine! You like it? No? Okay, all right. I hear you loud and clear. But this is what you need. The governing laws of Agrabah by royal decree. Okay, and... here it is! "Must marry a prince." Right. But, you say the words... and this law just kinda

like, goes away. You and the princess are in it together forever. You can just make the law disappear? Pssh. Please. Like it never existed. All right. Last wish. Let's get it.

[Aladdin embraces Genie]

Genie:

Aladdin:

What are you gonna do now? Um... Actually, there is this... handmaiden that I would love to travel the world with. If she'll have me. When do we leave? Also, I want children. Yes! Two of them. Lian and Omar, three years apart. They will worship us both and ask lots of questions. And you will entertain them with stories and songs. - We'll have a boat. - A large one with multiple levels and magnificent sails. I was thinking more of a- a smaller one. - Perfect. - Perfect. Sit with me, my child. I'm sorry. - Baba, why are you...? - Please, let me finish. I feared losing you. Like I lost your mother. All I saw was my little girl. Not the woman you have become. You have shown me courage and strength. You... are the future of Agrabah. You... shall be the next sultan. Thank you, Baba. As sultan, you may change the law. He is a good man. Where'd he go?

[as Aladdin is walking away from the palace]

Stop, thief.

Your sultan commands it.

Sultan?

Does that mean I'm in trouble?

Only because you got caught.

[they kiss, then we see them getting married and celebrating their new life together]
