# Finding Dory

By Andrew Stanton

**BABY DORY:**

I suffer from  
short-term remembory loss.  
-Yes!  
-That's exactly what you say!  
Okay, okay.  
We'll pretend to be the other kids now.  
-(JENNY INHALES DEEPLY)  
-(CHARLIE CLEARS THROAT)  
-(GASPS) Hi, Dory!  
-Ahoy there!  
-(LAUGHING)  
-Do you wanna play hide-and-seek?  
Okay.  
We'll hide  
and you count and come find us.  
Okay, Daddy.  
No, not Daddy. I'm the nice  
fish who wants be your friend, okay?  
-Okay, Daddy.  
-No.  
-I'm hiding.  
-Now count to ten.  
One, two, three...  
Um, four...  
Um...  
I like sand. Sand is squishy.  
-(FISH LAUGHING PLAYFULLY)  
-Mommy, can I go play with them?  
-Dory. Dory. Dory, honey.  
-Dory. Kelpcake.  
Undertow, sweetie.  
Remember, honey, we have to  
stay away from the undertow.  
Okay, sweetheart,  
what about that rhyme we learned?

No. It's, "Heck no."  
Okay? Let's try it again.

There's the undertow

-Did I forget again?

-No, no. No.

-No, sweetie. Don't worry about it.

-No biggie, kelpcake.

What if I forget you

(GASPS) Would you ever forget me?

-(GASPS)

-Oh, kelpcake, no.

We will never forget you, Dory.

And we know you'll never forget us.

**BABY DORY:**

Hello!

-Did you hear that?

-What's that? Hear what?

-Stan, I just heard someone say hello.

-I didn't hear anybody say hello.

I don't know, Stan.

I just heard someone say hello.

There's a lot of fish here.

Anybody could've just said hello.

**-BABY DORY:**

-There.

**-STAN:**

-There. There. Right there.

-Where am I looking?

-There!

-Oh.

-Hello!

**-BABY DORY:**

-OH, my goodness, it's a child!

**-STAN:**

-Hello? Hi.

Hi. I'm Dory. Can you please help me?

Hi, Dory. Are you lost?

-Yeah, where are your parents?

-Um...

I can't remember.

-Oh.

-Well, we'll look around.

Are any of those fish your parents?

Hi, I'm Dory. Can you please help me?

-What?

-Um...

(CHUCKLES NERVOUSLY)

-Honey, you just said that.

-Mmm.

-I did?

-Mm-hmm.

I'm sorry. I suffer from  
short-term remembory loss.

-Oh, how awful.

-Short-term memory loss?

Okay, you wait here for one second.

Okay, sweetie pie?

-Stan. Stan. Stan.

-What? What?

What do we do? The poor thing is lost!

-What do you want me to do?

-We have to do somethin'.

-She can't remember a thing!

-She could come from anywhere.

Wow, you are no help today.

Dory? Sweetie? How 'bout we--

She's gone.

Well, that's not good. Hey, Dory!

-Dory!

-Dory!

I'm Dory. I lost my family

Can you help me?

I'm Dory. I suffer from

short-term memory-- (GASPS)

Just keep swimming

Hi. I lost my family. Can you help me?

Where did you see them last?

Well, uh, funny story, but I forgot.

Oh, sweetie,

do you wanna come swim with us?

That is nicest offer  
I've gotten all day.  
I think. Uh, I can't remember.  
Anyhoo, thanks, (CHUCKLES)  
but I'm lookin' for someone.  
(SIGHS)  
Oh. Can't remember. Can't remember.  
Can't remember.  
-Hi! I'm Dory.  
-(FISH GASP)  
Was it something I said?  
Kiddin'. Okay, you're not coming back.  
I was looking for something and I--  
Okay, get it. Date night. Have fun.  
Well, I hope you find whatever it is  
you're looking for.  
You and me both?  
nd idea what that was?  
I'm sorry.  
I'm sorry.  
Okay. Guess we'll hang out another  
time. Don't be a stranger... stranger.  
Huh?

**MARLIN:**

They took my son!  
-My son! Help me! Please!  
-(INDISTINCT CHATTER)  
-Look out!  
-(BOTH SCREAMING)  
(GROANING)  
Oh! Oh, sorry! Are you okay?  
-He's gone. He's gone.  
-There, there.  
-No, he's gone.  
-It's all right.  
-He's gone.  
-It'll be okay.  
No, no, they took him away!  
I have to find the boat!  
A boat? Hey, I've seen a boat!  
-You have?  
-Uh-huh.  
It went this way! Follow me!

Thank you, thank you!

Thank you so much!

(SNORING)

Klaus. Klaus, the pinata's drooping.

(SNORING)

Hand me the ratchet wrench.

I can fix it. Ow!

Hey, Marlin?

(MARLIN SNORING)

Oh. Hey, guys, I was just--

Ow, ow, ow, ow, ow, ow, ow!

Dory! It's time to get up yet.

You have to go back to bed.

And remember, the anemone stings.

Oh, right. Yeah. Sorry.

Back to bed, back to bed.

Hey, Marlin? Ow!

Back to bed! That was it.

Very simple. Bed. Back to it.

**DORY:**

Hey, Marlin?

And we're up. That's it.

Ready to start the day.

-And we were looking for something.

-Nemo.

Right. I remember it

like it was yesterday.

Of course, I don't really remember  
yesterday all that well.

(NEMO LAUGHING)

Anyway, I would say the scariest  
moment of the trip was the 4 sharks.

**NEMO:**

there were 3 sharks.

**MARLIN:**

there were definitely four.

But last time you told it,

there were three.

Son, which one of us traveled  
across the entire ocean?

-Nemo did.

-(YELPS)

Obviously we had to cross the ocean...  
to find him, so you know... He went first.  
I guess that's true, isn't it?

Well, you made it!

You almost missed the field trip.

A field trip? Ooh, I love field trips!

Where are we going?

-I thought you told her.

-I did tell her!

-Uh... Dory.

-Yeah.

Mr. Ray has too many fish  
to keep an eye on today.

Uh-huh.

So it would be best if today  
you weren't exactly with the class.

Oh. Why not?

Well, you know, you have problems  
remembering things sometimes.

That's the one thing I can remember.

Yes.

Okay. And sometimes it's not your fault,  
but it can cause you to wander.

And Mr. Ray doesn't really have time  
to worry about fish who wander.

In other words,

he doesn't have enough help.

Poor guy.

You know, he's so overworked.

-You understand.

-I totally understand now.

-Okay.

-Mm-hmm.

He wants me

to be the teacher's assistant.

Uh... No, not exactly.

I am so honored. I have never been  
a teaching assistant before.

Mr. Ray! You got help.

(LAUGHS AWKWARDLY)

Oh. Okey dokey.

(STUDENTS LAUGHING)

-All right, kids.

-All right, kids.  
-Today's the day!  
-Today's the day!  
Our field trip to the sting ray migration.  
Sting ray migration.  
Now, does anyone know  
why we migrate?  
(COUGHS)  
Come on. You gotta know this stuff.  
Migration is about going back to...  
-Bed!  
-Yes!  
-No.  
-No.  
-The sand!  
-No! Migration is about going home.  
-Home.  
-Which is where you're from.  
Where you're from.  
Can someone tell me  
where they're from?  
-I live by a giant rock!  
-I live 3 coral caves away from here!  
My house is covered in algae!  
Where'd you grow up, Dory?  
Me? Um, I don't know.  
My family. Where are they?  
-Can I help you?  
-(STUDENTS LAUGHING)  
I'm sorry. Did I forget again?  
You see, I suffer from--

**STUDENTS:**

How can you remember your family  
if you have short-term memory loss?  
Good question. See, I can remember  
some things because, well...  
They make sense.  
Like, um, I have a family.  
I know because I've-- I must've  
come from somewhere. Right?  
Everyone has a family.  
I may not remember their names  
and what they look like.

And I may not even be able to  
ever find them again, but um...  
-What were we talkin' about?  
-Mommies and daddies.  
Mommies and daddies. Right.  
Why are we talkin' about  
mommies and daddies? Oh. Oh!  
That class. Uh-oh. Why me? Okay?  
You guys seem a little young,  
but, um, okay.  
You see, kids,  
when two fish love each other--  
And we'll stop right there.  
Climb aboard, explorers!  
I feel a migration song comin' on!  
Oh...

Oh, kids, stay away from the edge.  
Okay, you hear that? Okay, everybody,  
stay back from the edge. Come on.  
-Okay, that's too far.  
-That's too far.  
Come on. Come on.  
Get back over here. Back this way.  
-Now, I need everyone to listen to me.  
-All right, listen up!  
-When the rays pass through here--  
-The rays, they're gonna pass through.  
What do we have to be careful of?  
Everybody has to be careful of what?  
Hmm?

**ALL:**

**MR. RAY:**

That's right. The under-- The undertow?

**MR. RAY:**

by all the flapping is very strong.  
And if you're not careful,  
you can get pulled into--  
Mr. Ray! So how do the stingrays  
all know where to go?  
That's what an instinct is, Nemo.  
Something deep inside you that feels  
so familiar that you have to listen to it.  
Like a song you've always known.  
And I can hear mine now!

-(STUDENTS GASPING)

-Wow!

We see the undertow  
and we say-- (SCREAMS)

**-ALL:**

-(SCREAMING)

Dory!

**MR. RAY:**

-(GASPS) Is she dead?

**-MR. RAY:**

**-STUDENTS:**

-Give her some space, everybody.  
The Jewel of Morro Bay, California.

The Jewel of Morro Bay, California?  
I remembered something, so I--  
(GASPS) I remembered something!  
I actually remembered something!  
Something important!  
Something important?  
What? What was it?  
Uh... I'm not sure anymore,  
but I can still feel it. It's right there.  
All right, thank you, Mr. Ray.  
Okay, come on. Try to remember better.  
Don't be such a Dory, Dory.  
Hmm. I don't know. I-- Hold on. Hold on.  
-Uh... Oh. Oh!  
-What? Did you remember?  
Ugh, I don't remember.  
It was something-- It was--  
Oh, oh, oh! It was something about the--  
-The Jewel of Morro Bay, California.  
-(GASPS)  
My family!  
(GASPS) I remember my family!  
They're out there somewhere!  
I have to find them!  
Guys, you gotta help me.  
Guys! Guys! Hello?  
Guys! Where are you?

**-MARLIN:**

-Hello?  
-Dory!  
-Where did you go?  
You were the one to go!  
-My parents! I remembered them!  
What? What did you remember?  
I remembered them! My mom, my dad!  
I have a family!  
Oh, they don't know where I am.  
Let's go! We have to go!  
Dory, no. No! This is crazy!  
Where exactly are you trying to go?  
To the Gem of the Baltic?  
-The Jewel of Morro Bay, California.  
-Yes!

No, Dory. California's all the way  
across the ocean.

Then we'd better get going!

How come every time we're on the edge  
of this reef, one of us is trying to leave?

For once, can't we just enjoy the view?

How can you be talking about the view  
when I remembered my family?

No! We've done our ocean travels.

That part of our lives is over.

The only reason to travel in the first place is  
so you don't have to travel ever again.

Yeah, but I wanna--

(MARLIN GROANS AND COUGHS)

-Dory, look...

-Please.

All I know... is that I miss 'em.

I really, really miss 'em.

I don't know that felt like.

Do you know what that feels like?

(SIGHS)

Yes, I know what that feels like.

I don't wanna forget this.

Somewhere out there is my family.

Please, Marlin,

I can't find them on my own.

I'll forget.

Please help me find my family.

Yeah, Dad! You can get us all the way  
across the ocean. Right?

No... (SIGHS)

But I know a guy.

-Whoo-hoo!

-(MARLIN SCREAMING)

Righteous, righteous, righteous!

(LAUGHTER)

Totally sick! Totally sick!

I know. Isn't it great?

No! I'm gonna be totally sick!

It's the California current, dude.

It's got some gnarly chop.

-(GROANING)

-Surf's up, dude!

(MARLIN SCREAMS AND GAGS)

Hey, dude, if you're gonna hurl,  
just do me a solid,  
head to the back of the shell  
lean out and go for distance.  
We call that "feeding the fishes."  
Correctamundo, Squirt!  
And now we're lookin' for my parents  
at the Brooch of the Atlantic? Or the--  
-The Jewel of Morro Bay, California.  
-Exactly!  
How are you gonna find your parents?  
Do you remember what they look like?  
I'm a bit new to the memory thing,  
so I can't say for sure,  
but somethin' tells me they were  
mostly blue, with s-- Maybe yellow.  
That sounds right.  
Also, I'm pretty sure I'm gonna know  
them when I see them. We're family.  
By the way, crossing the ocean  
is the kind of thing you should only do once!  
-One time!  
-Morro Bay, California's coming up, dudes!

**DORY:**

Let's find my family!

**CRUSH:**

**-NEMO:**

**-MARLIN:**

(MARLIN SCREAMING)

-(MARLING GROANS)

-(NEMO LAUGHING)

Whoo-hoo! (LAUGHS)

**SQUIRT:**

Hope you find your parents!

**CRUSH:**

"feeding the fishes!"

(TURTLES LAUGHING)

Too late. Already fed.

Oh.

This feels familiar. Mom! Dad!

**MARLIN:**

**DORY:**

**MARLIN:**

Do you really think your parents are just gonna be floating around here waiting for you?

Well, I don't know, but there's only one way to find out.

Mom! Dad!

-Yell louder, Dory!

-Mom! Dad!

-Shh!

-(GASPS) What was that?

Wait. I've heard that before.

I remember someone saying, "Shh."

Yes, well done. That was me.

One minute ago.

**ALL:**

(GASPS)

Please. Have you seen my mommy and daddy?

Their names are Jenny and Charlie.

**ALL:**

(GASPS) Jenny and Charlie.

**MARLIN:**

Those are their names!

My parents are Jenny and Charlie!

-Dory, wait!

-Jenny!

**MARLIN:**

a moment to come up with a plan?

-Jenny! Charlie!

-Shh!

-Are you crazy?

-Sorry, she's a little excited.

-Jenny! Charlie!

-Dory, stop yelling for a second.  
It's not a good idea  
to come into a new neighborhood...  
and call this much attention to yourself.  
You don't understand. I remembered  
my parent's names! Jenny! Charlie!  
These crabs are locals and I  
get the feelin' they're shushin'...  
us for a reason. You might wake up  
something dangerous.  
Are you talking about like  
something with one big eye...  
tentacles, and a snappy thing?  
Well, that's very specific,  
but something like that, yes.  
You just in general don't want to--  
(CRABS GASP)  
Oh, my goodness. Okay.  
There's a mistake. We're backing away.  
Let us and we will--  
We'll worship you. We'll build a--  
Do you like a monument?  
(ALL SCREAMING)  
(SCREAMING)

**MARLIN:**

Swim for your life!  
(ALL SCREAMING)  
(SCREAMING CONTINUES)  
(NEMO SCREAMS)  
-Nemo!  
-Nemo!  
(SCREAMING)  
-Nemo!  
-Dad!  
No!  
Nemo, hold on to me and don't let go!  
Dad!  
No, no! No!  
(MARLIN GRUNTS)  
(DORY PANTING)  
Dory! Dory, slow down!  
We're not being chased anymore!  
Are you sure? (SCREAMS)

(DORY GRUNTS)

Jenny and Charlie! Jenny and Charlie!  
I just remembered their names!  
We have to keep goin'. We're so close.

(NEMO CRYING)

-Huh?

-Nemo, are you hurt?

(GASPS) Oh, my goodness! Nemo!

Are you okay? What happened?

-Not now, Dory. Please!

-Oh, no.

-Nemo. Oh, no. Oh, no.

-I'm okay.

Oh, Nemo. I'm sorry. Okay. I'm sorry.

(CRYING)

(GASPS)

Oh, my goodness! Nemo, are you okay?  
I said, "Not now." You've done enough.  
I have? Oh, no. But I can fix it.  
I can. I'll go get help.  
You know what you can do, Dory?  
You can go wait over there.  
Go wait over there and forget.  
It's what you do best.  
You're right. I don't know what I thought  
I could do this.  
Find my family. I can't do it.  
I'm so sorry. I'll fix it.

**-NEMO:**

-Well, I'm gonna get help. Okay?

Okay? I can do that. I'll be--

It'll be alright, Nemo.

Hello? Someone? Hello?

Anyone? Hello? Anyone?

SIGOURNEY ON SPEAKER: Hello.

-Hello?

-I'm Sigourney Weaver.

Oh. Hi, Sigourney. I need your help.

Won't you please join us...

Oh. Great, great, great.

As we explore the wonders

of the Pacific Ocean...

and the amazing life it holds within.

Witness the majesty  
of the Beluga Whale.  
Sigourney Weaver, where are you?  
Dory! There you are!  
Guys! I found help. Sigourney Weaver's  
gonna tell us where we are.  
-Look out!  
-(SCREAMS)  
-Oh, look at this!  
-No respect for ocean life.  
-Marlin! Nemo!

**-NEMO:**

No, no, no. Not again! Not again!  
Let's take the inside  
and see how she does.  
(DORY SCREAMS)

**NEMO:**

**MARLIN:**

We'll come find you!

**SIGOURNEY:**

the Marine Life Institute,  
where we believe in Rescue,  
Rehabilitation and Release.

**DORY:**

(DORY PANTING)  
Hello? Hello? Can you help me?  
Me help you? (SNEEZES)  
Ugh. (SCREAMS)  
Oh. (GASPS)  
Huh? What's happenin'? Help?

**MAN:**

**WOMAN:**

You're a scientist. We talked about this.

**MAN:**

(DOOR CLOSES)

**DORY:**

I'll be fine, I just need to find  
a way out and...

If I could just-- Get a hold of yourself.

-Get a hold of yourself.

-(YELPS)

You'll be fine, everything's fine,  
think positively.

-Hey, you.

-Oh.

Spinner.

Oh, my goodness. Hi, I'm Dory. I'm--  
Name's Hank. How sick are you?

Sick? I'm sick?

Why else would you be in quarantine?

Oh, no! How long do I have?

I have to find my family.

All right. Now, don't get hysterical--

Uh-oh. Not good.

What? What is it? What happened?

(GASPS) What's that?

That there is bad news.

It's a transport tag for fish.

who can't cut it inside the institute.

They get transferred to permanent digs.

An aquarium.

In Cleveland.

Fish in here, go here in the ocean.

Cleveland fish, stay there forever.

(GASPS) Cleveland? No!

I can't go to the Cleveland.

I have to get to the Jewel of Morro Bay,  
California and find my family.

That's this place.

The Marine Life Institute.

The Jewel of Morro Bay, California.

You're here.

You mean, I'm from here?

(GASPS) My parents are here.

I have to get to them.

So what exhibit are you from?

Wait. I'm from an exhibit?

Which one? I have to get there.

Hmm. That's a hard one, kid.

Unless... Nah.  
Never work. It's too crazy.  
What do you mean? Just tell me.  
I'm okay with crazy.  
Ya know, I could see that?  
Well, there's one thing I can think of...  
to help you get to your family.  
If I just take--  
Yes! Great idea.  
You take me to find them.  
Why didn't I think of that?  
Uh, no, no, no.  
If I just take your tag...  
I can take your place on the transport  
truck then you can go back inside...  
and find your family.  
All you have to do is give me the tag.  
What tag?  
(GASPS) There's a tag on my fin!  
How could you forget  
you have a tag on your fin?  
Oh, no. I'm sorry. I--  
I suffer from short-term memory loss.  
You don't remember  
what we were talking about?  
Mm-mm. Not a clue.  
What were we talkin' about?  
Um, you were about to give me your tag.  
Well, I kind of like my tag.  
Why do you want it?  
So I can go to--  
So I can go to Cleveland.  
Cleveland? Mmm.  
I hear good things  
about Cleveland.  
Why do you wanna do?  
Because if stay here I'm gonna get  
released back to the ocean.  
And I have extremely  
unpleasant memories of that place.  
(EXHALES)  
I just wanna live in glass box alone.  
That's all I want. So gimme your tag!  
Hey, man, don't touch my tag!

(SIGHS)

Look...

(SLURPS)

I don't work here.

It's not like I have a map of this place.

(GASPS) A map! Good idea.

You take me to the map, I figure out where my parents are. Oh, boy.

All right. If I get you to your family will you give me--

I don't have much. Um, I--

How 'bout if I give you this tag?

Great idea.

(INDISTINCT CHATTER)

**MARLIN:**

sure that's what I said?

"Go wait over there and forget.

That's what you do best.

-Yeah, Dad.

-I said that?

You said that, Dory swam to the surface, and got taken by some--

All right, I don't wanna hear the whole story again.

I was just askin' about the one part because, look, if I said that--

I'm not positive I did.

It's actually a compliment because...

I asked her to wait and I said,

"It's what you do best."

So I-- Oh, it's my fault!

It's all my fault she got kidnapped and taken into whatever this place is.

What if it's a restaurant?

Oy! You two! Shut it!

Yeah, we're trying to sleep!

You interrupted my favorite dream!

Is that the one about you laying on this rock?

-Yeah.

-Oh, that is a good one.

-Oh, yeah, isn't it? Yeah.

-It's one of my favorites.

**NEMO:**

-Son! Son.  
-We're tryin' to--  
Those are sea lions.  
They are natural predators.  
They could pounce at any moment.  
(YAWNING)  
Uh, they don't look very pouncy.  
That's what they want you to think.  
Just get behind me  
and let me do the talking.  
Excuse me, we're worried  
about our friend. Is that a restaurant?  
(LAUGHING)  
Mate, it's not a restaurant.  
Your friend is okay.  
-She is?  
-It's a fish hospital.  
Sigourney Weaver says she'll be  
rescued, rehabilitated, and released.  
She'll be in and out in a jiff.  
We should know.  
-Nasal parasite.  
-Anemia.  
All fixed up and sent on our way.  
Oh, thank goodness.  
Sure, that's all right.  
Don't you worry ab--

**-BOTH:**

-Shove off, Gerald! Come on. Off! Off!  
-Get off! Now you know better! Off!  
-Off! Off! Off! Off!  
Don't you worry 'bout a thing.  
That place is the Marine Life Institute.  
The Jewel of Morro Bay, California.  
(GASPS) She was right.  
It looks like Dory  
can do something besides forget.  
Thank you, Nemo. Thank you for that.  
So how are we gonna get inside?  
Wait. You wanna get inside MLI?  
Desperately. Our friend is there.

Lost, alone.  
She's scared.  
She'll have no idea what to do.  
Oh, we know a way.  
You do?

**BOTH:**

Ooo-roo-roo. Ooo-roo.  
-What are they doin'?  
-I don't know. It sounds.

**DORY:**

**HANK:**

Hank, I'm so glad I found you.  
It feels like-- I-- Destiny.  
For what must be the millionth time,  
it's not destiny.  
Oh, oh. Have I said "destiny" before?  
I'm sorry.  
I'm just so nervous  
'cause I'm gonna meet my parents.  
I haven't seen them in I don't even know  
how long because...  
-you see I suffer from short-term--

**-HANK:**

Look, no more talking. Okay?  
I don't like talking.  
I don't like chatter and questions.  
And, "How are you? Oh, I'm fine."  
(PHONE RINGING)  
"How are you? I'm fine, too."  
News flash -nobody's fine.  
Oh, I'm fine. How are you?  
(SIGHS)  
-Hank, look, there's a map!  
-Shh!  
The plan is you're gonna read that  
and figure out where your parents live.  
Then I'm on the truck to Cleveland.  
You got it?  
Got it. What was the first part again?  
Ugh.

What? The octopus escaped again?  
Wow. Look at all the exhibits.  
How can you do this park in one day?  
Seriously.  
-Pick one!  
-Okay. Um...  
(GROANS) Well,  
tell everyone to keep an eye out.  
We're supposed to be releasing  
the octopus back to the ocean today.  
Well, of course I haven't seen him.  
If I was looking, I'd find him.  
Hank! There you are.  
-Hurry up!  
-Okay. Okay.  
K. It starts with a "k."  
Kid z-own-y. Kid zone!  
No! No kids. Kids grab things.  
And I'm not losing  
another tentacle for you.  
You lost a tentacle?  
Well, then you're not an octopus.  
You're a septopus.  
I may not remember, but I can count.  
-Hurry up!  
-Okay.  
Journey to the-- Hey, look. Shells.  
(GASPS)  
Hey, look. Shells!  
(CHARLIE CHUCKLING)  
Daddy, here's a shell for you.  
That's great, Dory.  
You found another one.  
-I did?  
-Oh, yes, you did.  
You're getting good at this, Dory.  
(FISH LAUGHING)  
Hey, look. Shells!  
(JENNY CHUCKLES)  
-Hey, I live there.  
-Yes! Yes, indeed.  
-I like shells.  
-(LAUGHS) That's right, dear.  
Do you think you could find me

another shell?

(WHISPERS) Purple ones  
are my favorite.

Okay, Mommy.

Mommy. Purple shell. Purple shell!

Hey, my home had a purple shell.

So what? Half the exhibits here  
have purple shells in them.

No, no, no. You don't understand.

I remember her now.

Purple shells were her favorite  
and she had this adorable giggle.  
And then my dad was really friendly.

And now your wacky memory's  
gonna get us caught.

Still think this is destiny?

-Hank, we have to find my folks!

-Quiet!

Ugh. Base, this is Carol.

Uh, I think I might have found  
that missing octopus. Over.

-See what you did?

-Sorry.

This could not be worse.

Hmm. "Destiny." (GASPS) Destiny.

-Hank. I got a feelin'.

-Sh!

I think we should get in the bucket.

-No. Stop.

-Seriously. It says "destiny" and it is--

-No, no, no, no, no.

-We've gotta get in that bucket.

-I'm not going with you in the bucket.

-Here... I... go... in... the... bucket. Bye.

(GASPS)

Hey, guys, I'm lookin' for my family.

Oh, good idea. Play dead.

(HANK GASPS)

I'm sorry. I gotta blink. How do you  
hold your eyes open that long?

(GRUNTING)

(GROANS)

Hey, guys. Wait a second.

(SCREAMS)

(PANTING)

(SCREAMS)

Our next guest

has been here a very long time.

She's a whale shark.

Her name is Destiny.

Destiny? Really?

You'll notice she's extremely  
nearsighted and has trouble...  
navigating her environment.

Oh! And here she comes now.

Ooh! Destiny. (GASPS) You're a fish?

(DESTINY GROANS)

Wait. What?

-Hi! Hello there.

-Whoa! Oh. Whoa.

All right, I'll go with you.

-Excuse me. Hi.

-Who is that? Is that blue blob talkin'?

-Can you help me? I lost my family.

-You lost your family?

Well, it's a long story,  
and truth be told,

I don't remember most of it.

Aw, that is so sad.

You poor thi-- (SCREAMS)

(DESTINY PANTING)

Sorry. Not a great swimmer.

I can't see very well.

Oh, I think you swim beautifully.

In fact, I've never seen a fish  
swim like that before.

(VOCALIZING) Thank you.

(VOCALIZING) You're welcome.

Wait. Say that again.

Um, you're (VOCALIZING) welcome.

-Dory?

-Yes.

-Dory?

-Yes.

-Dory?

-Yes.

-(GASPS) Dory!

-Yes.

-You and I were friends!

-No!

-Dory, it's me! Destiny!

-You know me?

Of course! We talked through the pipes  
when we were little.

-We were pipe pals!

-We were?

-(GASPS) Aw, you're so pretty.

-So you know where I'm from?

Yep, you are from  
the Open Ocean exhibit.

I'm from the Open Ocean exhibit?

(GASPS) Then that's  
where my parents are.

We gotta go. Can you take me there?

Uh... Kind of tough for whale  
to travel around here.

Can you please keep it down  
over there? My head hurts.

-(DESTINY GROANS)

-Who's that?

(WHISPERING)

That's my neighbor, Bailey.

He was brought in with a head injury.

I know you're talkin' about me, Destiny.

He thinks he can't use his echolocation,  
but I've overheard...

the doctors talking.

There's not a thing wrong with him.

Hear every word

you're sayin' about me.

What's echolocation?

Bailey's head is supposed to put out  
a call and the echo helps him find objects far away.

Oh, but apparently, he's still "healin'."

Now I know you're talkin' about me.

-I really can't echolocate.

-Oh.

I cannot have this conversation again.

I just can't.

I hit head very hard out there.

See how swollen it is!

Your head is supposed to be big!

You're a beluga!  
Echolocation.  
Oh, like the world's  
most powerful pair of glasses?  
-What  
-What are glasses?  
It's sorta like you go, "hoo"  
and then you see things.  
Why do I know that?  
Oh. That's interesting.  
There ya are!  
Listen up, you and I are square.  
I took you to the map,  
now gimme that tag!  
Wait, no. I know where my parents are.  
They're in the.  
What's it called? The place--  
The soap and lotion?

**-BOTH:**

-Open Ocean.  
(GASPS) Open Ocean!  
I know where that is.  
That's the exhibit located right next to--  
I don't care.  
-Easy!  
-(DESTINY GASPS)  
If you're tryin' to get to the Open Ocean  
exhibit go through the pipes.

**-HANK:**

-Through the pipes?  
Yep. Take two lefts, swim straight  
and you'll hit it.  
Oh, that's a lot of directions. That's--  
Did you get that, Hank? All that?  
-Uh, yeah.  
-Great! Let's go.  
I'm not going with you. I won't fit.  
You have to go by yourself.  
Um...  
That's-- I'm-- I-- See, I can't because  
I'm not so good with directions.  
Well, that's too bad. A deal's a deal.

You wanted to find your parents?  
That's how you get to 'em.  
Now gimme your tag.  
But, Hank, I can't go in the pipes alone.  
I'll forget where I'm goin'.  
-Not my problem. Tag!  
-But I can't get in that way.  
-I'm sorry, but there's no other way.  
-There's no other way. (GASPS)  
(GRUNTS)  
-There's no other way.  
-Now, now. Don't panic.  
It's okay. Not everything in life is  
easy to do. Isn't that right, Charlie?  
She's right. When something's  
too hard, you should just give up.  
-Charlie!  
-A joke. I'm kidding!  
Just a joke. A joke.  
Caution, joker at work.  
-Joke. I got it.  
-(YOUNG DORY LAUGHS)  
You see, kelpcake?  
There's always another way.  
Thank you, Daddy.  
Thank you, Daddy.  
(GASPS) Nope. My father said  
there's always another way.  
-What? There is no other way.  
-Open Ocean. Open Ocean. Hmm...  
Open Ocean. I'm pretty sure  
it's the building over there.  
That's ill-defined and roundish.  
Like Bailey's head.  
-Wait, what?  
-Always another way. There's--  
There! Guys, follow me.  
I know how we can get to locomotion.

**BOTH:**

**DORY:**

Um, guys.  
You know I can't swim over there, right?

**BOTH:**

**MARLIN:**

is gonna get us inside.  
What are you even doing?  
We're calling her over, of course.  
Calling her over? Callin' who over?  
(BIRDS WARBLING)  
Lads, meet Becky.  
(SQUAWKS)  
Flying? No, no, no new information.  
Listen, tell her thank you.  
You guys have gone  
above and beyond. Really.  
But is there a way to get in  
that involves, like, swimming?  
Because that's really our strength.  
Look, your friend is going to be  
in quarantine.  
That's where they take sick fish.  
And the one and only one way  
into that place is Becky.  
-(SQUAWKS)  
-(MARLIN SCREAMS)  
(MARLIN CHUCKLES NERVOUSLY)  
Hi, Becky.  
Ow! Stop. Let's call  
her Pecky 'cause this is hurtin' on.  
(CHUCKLES) I think she likes you, Dad.  
Becky, love? These two nice fish  
need to get into quarantine.  
Are you free today, Rebecca darlin'?  
Becky, is-- Would that work  
with your schedule? Ow!  
She doesn't understand  
what I'm sayin'.  
All you have to do  
is imprint with her, mate.  
-Imp-- What?

**-BOTH:**

Look her in the eye and say, "ooo-roo"  
and she'll be in sync with you.

-Now look her in the eye.  
-Yeah.  
(GROANS) Nemo, I think we should  
devise an alternate plan.  
One that involves stayin' be in the water  
and someone sane.  
Because this bird, this bird...  
This ain't the bird!  
That's fine, Dad. And in the meantime,  
Dory will just forget us.  
Like you said, it's what she does best.  
(SIGHS) Fine.  
Uh...  
Okay, look her in the eye. Which eye?

**FLUKE:**

**MARLIN:**

Uh...  
(ECHOING) Ooh. Ooo-roo.  
Roo-roo, Becky.  
(SQUAWKS)  
(NEMO LAUGHING)  
Okay, this is all great.  
How exactly is Becky  
supposed to carry us?  
Oh, yeah. I almost forgot. Gerald!  
-Hmm?

**-RUBBER:**

**-FLUKE:**

-Hmm?  
Come on, Gerald. Give us your pail,  
we'll let you sit on the rock.  
-Yeah, Gerald. We swear it.  
-Hmm.  
(LAUGHS)  
That's right. Shimmy on over here.  
-(LAUGHING)  
-Come on. You can do it.  
-That's right.  
-(GRUNTING)  
Mind you don't scuff your bum.

(GRUNTING)

-Thank you so much, Gerald.

-(LAUGHING)

Welcome to your time on this rock.

-Comfortable, isn't it?

-(CHUCKLES)

**BOTH:**

-Off! Off! Off! Off!

-Time's up! Now get off, Gerald! Off!

No, this is nuts! Why do I keep getting talked into insane choices?

-(BECKY SQUAWKS)

-Good luck!

(SCREAMING)

Okay, when I tell you you're gonna--

Yeah. I know. I'm gonna signal with a big splash.

On my mark. Not clear yet.

Not clear yet.

-Now?

-Not 'til Destiny gives the signal.

(HANK CHEWING LOUDLY)

You know something? I have no idea why you're even doing this.

What do you mean?

It seems like a lotta trouble just to find some more fish.

If I had short-term memory loss...

I'd just swim off into the blue and forget everything.

Well, I don't wanna do that.

I want my family.

Not me, kid. I don't want anyone to worry about.

You're lucky. No memories.

No problems.

Huh. No memories. No problems.

Still not clear. Still not clear.

You don't have to say when it's not time.

-Not--

-Just tell me when it is time.

Okay, here we go. And-- Wait!

(INHALES) "Here we go. Wait."

Are you serious?

-Okay, on the count of three.

-Don't count. Just say, "Go."

-Go! Now, now. Do it! Do it!

-What? Okay, okay. (GRUNTS)

-Wow. Look at that! I mean--

-That's the signal.

-Go, go, go! That's the signal!

-(GRUNTING)

**HANK:**

Destiny said follow the signs

-to the Open Ocean exhibit.

**-DORY:**

**HANK:**

so it's your job to look for it.

Got it. Follow the signs to Open Ocean.

I'm just gonna repeat it, okay?

That should work.

Follow the signs to Open Ocean.

Follow the signs to Open Ocean.

Mm. Go right! Follow the signs  
to Open Ocean.

Follow the signs to Open Ocean.

Follow the signs to Open Ocean. Left!

-Follow the signs to Open Ocean.

-And steer clear of people, will ya?

Especially kids.

I don't wanna be touched.

Shh! Do not mess me up!

(BOTH SCREAM)

Oh, poor baby.

Let me get that for you. Here you-- Oh!

Oh, my. Ugh.

-Where do we go? Where do we go?

-(GIRL CRYING)

Oh, sorry!

Okay, I was lookin', lookin'...

**MARLIN:**

Drop us anywhere. We're okay.

Just wait, Dad! I think she's lookin'

for a place to land!  
She's confused, Nemo! She doesn't  
even know which way to look!  
(GIRL CRYING)  
(SQUAWKS)  
(MARLIN SCREAMING)  
Wait, Becky. What are you doin'?  
Ooo-roo. Ooo-roo-roo-roo-roo.  
(SQUAWKS)  
Okay. I was going somewhere.  
The question is where.  
Which way? Do you see the sign?  
I'm lookin'. I'm lookin'. Something to  
something gets me to my family!  
"The world's most powerful pair of--"  
I know that. Who do I know that?  
It's another memory.  
Hank, we need to go that way!  
Left. Go left.

**MARLIN:**

She can't hear you, Dad.  
All right. New plan. We have to get  
closer to Becky so she can hear us.  
-(GRUNTING)  
-I don't think we should move the pail.  
Nemo. Without me Becky's lost.  
Dad, just trust her.  
Trust her? She can forget us  
all together?  
-I trust Becky.  
-You trust her? Becky's eating a cup!  
(SQUAWKS)  
Becky! Becky! Ooo-roo! Whoa!  
Ahh. (GROANS)  
Well, at least we're not stuck  
in the bucket anymore.  
-(MARLIN GROANS)  
-(NEMO SIGHS)  
Or on top of quarantine.

**SIGOURNEY:**

is beginning now.  
Why, thanks, Sigourney Weaver.

Hey, who wants to learn about otters?

(CHILDREN CHEERING)

**DORY:**

most powerful pair of glasses.

(GASPS) Otters!

-Welcome, it's a huge cuddle party!

-Cuddle party! I'm in!

Where are we?

Are we close at Open Ocean?

Uh, yes. I think-- Well, I don't know.

But I saw that other sign so--

What? What other sign?

The world's most powerful  
pair of glasses.

What? What are you talking about?

Why would we follow that sign?

Well, because I remembered it.

No. That wasn't the plan. Ow!

All right, that's it!

You have wasted my time!

-Wait. No.

-That transport truck leaves at dawn...  
and I'm not missing it,  
so gimme your tag.

Wait. No, I remembered that sign.

-So?

-So, I'm remembering more...

and more and I feel like my memory's  
gettin' better. I think we should--

No! Your memory is not working.

You can't remember anything.

It's probably how you lost your family  
in the first place!

(GASPS)

All right, look, let's just take it down  
a notch. Just give me the tag and--

You know something, for a guy  
with three hearts you're not very nice.

Three hearts? What are you talking  
about? I don't have three hearts.

-Yes, you do.

-I don't!

-You do!

-Don't!  
-Do!  
-Stop saying that!

**Fun fact:**

Two pump blood to the gills  
while the third pumps...

-blood throughout the body.

-Wait!

Whoa! (SCREAMING)

You know, some with three hearts  
shouldn't be so mean.

And it's mean to say that

I would lose someone I love!

I did not lose them! Hank?

Hank? Hank?

-Han-s

-No. Not Hans. I'm looking for Hank.

-Han-s

-Hank. With a "k." Hank.

-Hands!

-Hands? Oh, oh, oh, hands!

(SCREAMS)

-Hank! Hank?

-(GROANING)

My arm!

Hank!

(CHILDREN CHATTERING)

(SCREAMS) Where are you? Hank!

Oh! Ahh! Can you please help me?

I'm looking for--

(BOTH SCREAMING)

Please help me. I've lost  
my friend Frank. I'm sorry, not Frank.

You're in my space! (SCREAMS)

He's an octopus. No, septo--

Septopus. That's right.

He's a septopus. Septopus.

Septopus. Septopus. (GASPS)

One, two, three, four, five, six, s--

Septopus! He's camouflaged!

(PANTING)

(YELPS)

Hank. Come on, Hank!

Let's get outta here.

-(GRUNTING)

-Dory, what are you doin'?

(STAMMERING) Hank!

What's the plan?

The plan is I'm gonna stay here forever.

Okay. Good plan.

(SCREAMING)

I'm sorry. I'm sorry, Hank. I'm sorry.

I can't remember right. (GASPS)

-Sweetie. Sweetie.

-Oh, watch out, kelpcake.

Oh, watch where you're going.

I'm sorry, Daddy.

I'm sorry I can't remember right.

Oh, sweetie.

Sweetie, you don't need to be sorry.

You know what you need to do?

Just keep swimming.

Yeah.

And I bet you can remember

that because we're just--

Um...

We're gonna sing a song about it.

Just keep swimming

Swimming, swimming

We swim

We swim

(LAUGHS)

(LAUGHING)

(GASPS) My parents

taught me that song!

We sang it as a family.

All this time I thought I made it up!

-What song?

-Just keep swimming.

Hank, we've just gotta keep swimming.

What? No way! Listen to me,

it's too dangerous to move.  
No, you listen to me. I know  
you're scared, but you can't give up.  
Follow me.

Just keep swimming  
(SCREAMS)

this song for me  
(BOTH SCREAM)

Sing with me, Hank. Come on.  
(GASPS) I'm comin', Mommy.  
I'm comin', Daddy!  
-We're gonna be okay.  
-Stop!  
-Huh?  
-Turn back.  
Turn back!

**ALL:**

right for Poker's Cove.  
Poker's Cove.  
-Poker's Cove?  
-Incoming!  
(GRUNTING)  
-(SCREAMS)  
-Stop it!

**CHILDREN:**

(CHILDREN SCREAMING)

**HANK:**

**Dory:**

Nothing to be ashamed of.  
Hank? Oh, Hank. There you are.  
Wow. You got us outta there.  
Huh. I did.  
I got us out us there.  
I mean, technically  
you also got us in there.  
But if you hadn't, I'm not sure  
we would've gotten here.

Echolocation. Echolocation!  
The world's most powerful pair  
of glasses. We found it!  
No, no, no. You found that.  
(GASPS)

SIGOURNEY ON SPEAKER:

Welcome to the Open Ocean.  
Home.

**MARLIN:**

Ooo-roo. Ooo-roo.  
Ooo-roo. Ooo-roo. Ooo-roo, ooo-roo!  
Dad, stop. She's not coming back.  
She might. Ooo-roo, ooo-roo!  
Dad, you made her feel like  
she couldn't do it!  
You're not talkin' about Becky, are you?

(SIGHS)

I miss Dory.

Me too.

(GRUNTING)

(SIGHS)

The truth is,  
I'm just so worried about her.  
She's the one who should be worried  
about us.

Well, she would definitely have an idea  
of what to do if she were here.  
I don't know how she does that.  
I don't think she knows, Dad.  
She just does.

Well, then we'll just have to think.

-What would Dory do?

-What would Dory do?

Yeah! What would Dory do?

She would assess her situation,  
and then she'd evaluate...

then she would analyze her options--

Dad, that's "what would Marlin do."

Right, that's what I would do.

She wouldn't even think twice.

She would just look at the first thing  
she sees and--

-(GASPS)

-(CHILDREN LAUGHING)

(SIGHS)

Dory would do it.

Mmm.

-Nemo, hold on to me.

-(BOTH INHALE SHARPLY)

Whoa!

(MARLIN SCREAMING)

**NEMO:**

Hey, it's working! Whoa!

(BOTH GASPING)

Just keep gasping!

(BOTH SCREAMING)

(GASPS)

-Are you okay?

-Yeah! What would Dory do now?

Who's Dory?

Oh, boy. Are we happy to see you?

Happy to see me? I'm happy to see you!

I haven't had anyone to talk to in years!

Years? Wow.

Unfortunately, we can't stay long.

We have to go because--

Now why would you wanna go?

You just landed!

Stay a while. Tell me all about yourself.

I would love to, but my son and I

have to get to quarantine, so--

-Wonderful thing to have a son.

-Yeah, it is.

'Course I don't have a family.

I dated a nice scallop for a while.

-That's fascinating, but--

-But scallops have eyes.

And she was looking for something

different. I'm kidding!

Well, not about scallops having eyes.

They do.

And they see into your soul

and they break your heart.

Oh, Shelley! Why?! Why?!

Now what would Dory do?

SIGOURNEY ON SPEAKER:

Come with us as we explore  
'the mysterious world  
of the Open Ocean.

-Okay, Hank, follow me.

-You're in a cup.

Right. I'll follow you then.

(HANK GRUNTS)

(GRUNTS)

-Wait.

-An octopus has three hearts.

-Huh. That's a fun fact.

-(GROANS)

(GRUNTING)

(PANTING)

(WHISTLING)

**DORY:**

This is really happening.

**HANK:**

Well, looks like this is it, kid.

Now I got a truck to catch.

Wait! Wait! I had something for you.

(HANK CHUCKLES)

-Tag.

-The tag. Right!

You know,

I think I'm gonna remember you.

Oh, you'll forget me in a heartbeat, kid.

Three heartbeats.

I'll have a hard time  
forgetting you though.

(EXHALES DEEPLY)

MY parents are actually down there.

Um...

You okay?

I'm ready.

(CHUCKLING) Yeah, I think you are.

Whoa!

(GRUNTS)

Wow!

(INDISTINCT CHATTER)

Where are they? Where are they?

Where are they? Okay. Okay.

Pardon me. Oh. Hi. Hello. Have you  
seen a mom and a dad without me?  
Excuse me. Have you seen a couple?  
-They're old like you.

-(GASPS)

Not old like you,  
but older than you even.

Okay. Bye.

Hi. Do you know anyone who lost a kid  
a long time ago that would be me?

I don't know how ago exact--

Okay. You're in a hurry. (GRUNTS)

-Ho, ho! Watch where you're goin'.

-Oh, sorry.

(GASPS)

**SIGOURNEY:**

animal we rescue and care for.  
will eventually return home  
to where they belong.

Shells.

And there we go.

Now, if you ever get lost, Dory...

You just follow the shells.

Hey, look! Shells!

(GASPS)

(YOUNG DORY LAUGHING)

Follow the shells.

-Hey, I live there.

-Yes, yes, indeed.

(GASPS) My home. That's my home!

Mom! Dad!

Okay, kelpcake. Now count to ten.

One, two, three...

-(GASPS)

**-BABY DORY:**

(VOCALIZING) You're welcome.

Who are you talking to, kelpcake?

My pipe pal, Destiny!

Mom? Dad?

Mommy loves purple shells.

(GASPS)

(SINGING)

(JENNY CRYING)

-Mommy?

-What's gonna happen to her?

There, there, Jenny.

Oh, no, don't cry, Mommy. Don't cry.

Do you think she's-- That she can  
make it on her own, Charlie?

Oh, honey. It'll be okay.

Mommy loves purple shells.

(INHALES SHARPLY)

-Dory!

-Dory?

-Dory!

-Mommy?

(SCREAMS)

**-CHARLIE:**

-Mommy! Daddy!

(GASPING)

My parents...

I... I lost them.

It was my fault.

**-FEMALE CRAB:**

-Huh?

Your tag. It's missing.

That why you're not in quarantine?

-Quarantine?

-Yeah!

That's where they took all  
the blue tangs. Isn't that right, Bill?

Yep. The blue tangs are getting  
their own exhibit in Cleveland.

Being shipped out on a truck  
at the crack of dawn. Must be nice.

What? No! No, my parents  
are back in quarantine?

They're being shipped to Cleveland?

But I just got here!

I've gotta get to them.

They don't know I'm here.

Don't worry,

it's easy to get to quarantine.

You can just go through the pipes,

honey.

Oh. Oh, I can't do that.

-Why not?

-I'll forget what I'm goin'.

And I can't be anywhere  
where I have nobody to help me.

-Well, then I guess you're stuck here.

-You're not helping, Bill.

Just go in there if you want to.

You'll be fine.

Oh, boy.

Could you tell me how to get there?

Through the pipes?

Sure, honey. It's two lefts  
and then a right. Simple.

Okay.

(BREATHES DEEPLY)

Two lefts and a right. I can do this.

Two lefts and a right. Okay.

Don't forget.

(GASPING)

(GRUNTS)

Two lefts and a right.

Two lefts and a right.

Two lefts and a right. Two lefts  
and a right. Two lefts and a right.

Two lefts and a right? Shoot.

Left and a right. Wait.

Did I already take a left?

Oh, no. It's happenin'. Okay, hold on.

Hold on, hold on, hold on.

Which way? Where am I going?

I can't remember. Okay.

Okay. I'm lost. It's too hard.

I can't remember.

I'm forgetting everything.

I'm gonna be stuck forever in the pipes.

The pipes! The pipe pals.

Pipe pals? Pipe pals!

-And... swim, swim, swim.

-Yeah, I don't know about this.

Trust me,

I won't let you hit everything. Wall!

(DESTINY GROANS)

What's the point?  
I'll never learn to get around!  
You better! If you can't do it in here,  
you'll never do it out in the ocean!  
Now, really focus, okay? Wall!

**-DORY:**

-(GASPS)  
Dory? (VOCALIZING) Hello?  
(VOCALIZING) I'm lost in the pipes  
and my parents are in quarantine!  
Hang on, Dory!  
Bailey, you've gotta use your echolocation!  
You know it's broken!  
Just stop it, and try the "Ooh" thing  
Dory talked about, will you?  
-But I don't think I can--  
-Don't bail on me, Bailey!  
Ooh!  
Ooh! Ooh!  
Come on, Bailey. What did you  
just tell me, huh? Really focus!  
Ooh! I feel stupid.  
-Bailey.  
-Sorry. Ooh!

**-DORY:**

-Here!  
(VOCALIZING) We're here!  
Guys-- Ooh! Guys-- Ooh!  
What? What is it?  
I'm getting something! Ooh!  
Here we go! Ooh! Oh, yes! Ooh!  
I can see the quarantine!  
(LAUGHS) This is amazing!  
Ooh! I can see everything!  
And I can see you!  
(VOCALIZING) He can see you!  
My life's a rainbow! Can you see me?  
(LAUGHS), Right,  
it doesn't work that way.  
-Bailey!  
-Okay! Tell Dory to go left!  
(VOCALIZING) He says go left!

(VOCALIZING) Left?

(PANTING)

-Ooh! Straight!

-Straight!

-Straight!

-Ooh! Go right!

-Right!

-Right!

Ooh! I'm light-headed! Ooh! Wait. Ooh!

I'm pickin' up somethin' else.

Hold on! Let me zoom out.

**BAILEY:**

Holy Neptune, she's not alone! Ooh!

-What is it?

-I can't tell, but it's coming for her!

Oh, no!

(VOCALIZING) Dory, swim!

Swim the other way!

-What? Where?

-What? Where?

-Go right!

-Right!

(GASPING)

No, my right!

Oh, no! She's heading right towards it!

No! Dory, turn around!

That's great, Dory!

You're headed right toward us!

What? You want me to go right?

No, no, not right! Oh, I can't look!

(PANTING)

-(SCREAMING)

-(SCREAMING)

-(SCREAMING)

-(SCREAMING)

**-BOTH:**

-Marlin?!

-I knew it! You're okay!

-Oh, my gosh!

**BAILEY:**

It's eating her alive!

(BOTH CRYING)

-You're okay!

-You found me! How did you find me?

There was a crazy clam!

He wouldn't stop talking!

We just slowly backed away from him

and into these pipes,

and then we just started looking!

**DESTINY:**

Okay, what was that?

Hang on, I gotta take this.

It's okay! Sorry for what?

What? You're okay?

-Yes!

**-DORY:**

(LAUGHS)

Dad, did you hear that?

Dory really does speak whale!

I heard.

It's bringing some very bad  
memories so let's get outta here.

I say we got this way.

Follow me. It's time to head home!

Wait, wait, wait! Um...

My parents are here.

-They are?

-You found your parents?

Well, not exactly. No. I mean not yet,  
but, um, I know where they are.

I don't know exactly how to get there,  
but I don't that-- I'm getting help--

**-DESTINY:**

-Quarantine.

That's it! Oh, and I met  
this septopus, super cranky...

but secretly kinda sweet, and he  
got me into the exhibit... The exhibit.

Dory?

Do you think my parents will wanna see me?

What? Why wouldn't they wanna see you?

Because... I lost them?

Dory, your parents are gonna be overjoyed to see you.

They're gonna have missed...

everything about you.

-Really?

-Do you know how we found you?

-Something about a clam? Or...

-No.

-No, an oyster.

-No.

-Mollusk?

-No.

-Something?

-No.

-I don't... No?

-No clam.

We were having a very hard time until Nemo thought...

"What would Dory do?"

Why would you say that?

Because ever since I've met you,

you've shown me how to do stuff I never dreamed of doing.

Crazy things!

Outsmarting sharks

and jumping jellyfish.

And finding my son.

You made all that happen.

Really? I didn't know thought that.

Unless I forgot.

No, you didn't forget. I never told ya.

And I'm sorry about that.

But Dory, because of who you are,

you are about to find your parents.

And when you do that... you'll... you'll be home.

Dad...

Does this mean we have to say goodbye to Dory?

Yes, Nemo. We do.

(DORY HUMMING)

(INDISTINCT CHATTER)

**MAN 1:**

we got left to load?

**WOMAN:**

**MAN 2:**

the sooner this truck gets to Cleveland.

**DORY:**

**MARLIN:**

**NEMO:**

**DORY:**

(NEMO AND MARLIN SCREAMING)

**ALL:**

Is this quarantine?

**DORY:**

We're in quarantine!

-My parents are here!

-(ALL CHEERING)

**MARLIN:**

Hey, what--

No, why are we going towards the door?

-We are all better!

**-ALL:**

I feel fantastic!

-(SNEEZES)

-(ALL GASP)

Dude.

(GASPS)

My family! Come on, let's go!

Excuse me.

Dory, wait a minute!

I'm coming, Mommy! I'm coming, Daddy!

Whoo-hoo! Almost home.

Almost home. I'm almost home.

**MARLIN:**

the hang of this! Oh!

(WHISPERING) I hear footsteps.

(ALL SCREAM)

-(GASPS) Hank!

-Quiet.

Hank, we need to get in that tank.

That rhymed.

-Why?

-Her parents are there!

Oh.

Look, you've got three minutes  
to get everyone in this cup with you...  
and then I'm on that truck  
to Cleveland, got it?

Oh, boy.

(INDISTINCT CHATTER)

Mom? Dad?

Mom? Dad?

Hey, everybody. It's me, Dory!

(ALL GASP)

Dory? Dory? Dory?

Jenny and Charlie's Dory? Dory?

Mom? Dad?

Mom? Dad?

Mom? Dad?

-She should just pick two and let's go.

-Dad.

What? I'm kidding. It's a reunion.

Mom? Dad? Where are my parents?

Dory? Are you really

Jenny and Charlie's girl?

Yes, I am! That's me! Where are they?

Uh, well, Dory, right after  
you disappeared, they thought you...

Well, they thought you must've  
ended up here, in quarantine.

-Uh-huh?

-Come on, come on, come on.

And so they came here to look for you.

They're here! (GASPS) Where are they?

Dory, that was years ago.

-Huh?

-They never came back.

Oh, no.

You see, Dory, when fish  
don't come back from quarantine...

it means they're not...

What?

Dory, they're gone.

(GASPS) They're dead?

-(ECHOING) They wanted to find you...

-Wait. Are you sure they're gone?

Dory, listen, it's gonna be okay.

Dory, they loved you so much.

Anyone not looking to go to Cleveland,  
final warning!

(DORY BREATHING HEAVILY)

**-NEMO:**

-Are you okay?

-I was too late.

**-MARLIN:**

-I don't have a family.

**-NEMO:**

**HANK:**

I'm all alone.

**MARLIN:**

**NEMO:**

**HANK:**

Your orange friends are on their way  
to Cleveland. Ah!

**WOMAN:**

(SCREAMS)

(GLASS SHATTERS)

**-WOMAN:**

-(DORY PANTING)

(DORY GASPS)

(GRUNTS)

Mommy? Daddy?

Help.

No. No. No. Help. Help. Help me.

Help. Help me. Please.

Somebody help me!

Hey, can-- Help me?

Can you help me? I've lost them!

-Oh. Lost who?

-I-I-I-I...

Ah, sorry, honey. I can't help you if you don't remember.

Uh... (GASPS)

Oh! Can you help me? I've lost... them.

Uh, can you be more specific?

My-- My-- Them! Them! Them!

Um... Um...

(PANTING)

Oh...

Help! Help!

Please? They're gone!

(CRYING)

I've lost... I've lost everyone.

(SNIFFLES) There's nothing I can do.

Shoot, I can't forget.

What was I forgetting? Something.

Something important. What was it? I--

What was it? It's goin' away.

It's goin' away. It's going 'cause all I can do is forget. I just forget.

And I forget.

That's what I do best. That's what I do.

What do I do? What do I do?

What do I do? What do I do?

(GASPS)

What would Dory do?

I would look around.

And, um, there's just water over there.

And a lotta kelp over here.

Kelp is better. Okay.

(PANTING)

Okay. Now what? Lots of kelp.

It looks the same.

It all looks the same, except there's a rock... over there.

And some sand this way.

I like sand. Sand is squishy.

(PANTING)

Oh, this isn't going anywhere.

There's nothing here.

Nothin' but kelp. Lots of kelp.

And some shells... this way.  
I like shells.  
I like... shells.  
Whoa.  
Hello. I'm...  
-Dory!  
-Dory! You're here!  
-Oh, my baby!  
-You're really here!  
-Let me look at you.  
-You found us!  
-I'm never lettin' you go again.  
-Oh, my missing girl, you're here.  
-My baby!  
-It's you.  
-Yes! Oh, absolutely!  
-It's really you! Mom, you're here.  
-I am, I...  
-And Dad, so are you.  
Right here, kelpcake.  
(CRYING) I'm so sorry.  
Oh, honey. Oh, honey, no. Kelpcake.  
I know I've got a problem. I know I'm--  
And I'm so sorry.  
And all this time I've wanted to fix it  
and I can't, and I try. I try.  
But my thoughts... they leave my head  
and ideas change.  
And I'd forgotten you and I'm so sorry.  
Dory. Don't you dare be sorry.  
Look what you did!  
-(SNIFFLES) What?  
-You found us!  
That's right! You found us!  
Honey, why do you think  
we stayed put here all these years?  
Because we believed one day  
you'd find us again.  
Exactly!  
But I thought you were gone.  
How did you--?  
We went into quarantine  
to look for you, but you weren't there.  
And we knew you must've

gotten out through the pipes.  
Through the pipes. That's right, sweetie.  
And so we did, too.  
And we've stayed in this spot for ya  
ever since.

-We thought you might come back.  
-We stayed and waited for you.  
So every day, we go out and lay out...  
Shells.

And you found out.  
Oh, honey, you found us.  
And you know why you found us?  
Because you remembered.  
You remembered  
in your own, amazing, Dory way.

(SNIFFLES)  
I did. All by myself.  
Oh, honey. Really? Have you been  
by yourself all these years?  
Oh, my poor little girl.  
Oh, I haven't been all by myself--  
(GASPS) Marlin and Nemo!  
-Nobody saw where Dory went?

**-ALL:**  
Seriously? That's a lot  
of eyeballs doing nothing!  
Oh! Oh, excuse me. Can you help me?  
-We're lookin'--  
-Me help you?  
(SNEEZES)

**NEMO:**  
Oh, thank goodness. See, Nemo,  
I knew she'd find a way-- What?  
Hey, where's Dory? Is she with you?  
(GASPS) I'm sorry.  
I tried to hold on,  
but I couldn't, and I lost her.  
-What?

**-WOMAN:**  
No!

**DORY:**

even thought I speak whale.

**JENNY:**

**CHARLIE:**

there to see that.

**DORY:**

I even know how to speak whale...

but you know what, he always kinda trusts me anyway.

You know, I like this Marlin already.

Yeah. And then somehow

we found Nemo. Or did he find me?

I don't know. But you know what,

Nemo is the sweetest.

He just never gives up on me

no matter what.

Um, what would Dory do?

Well, we'll certainly have to thank

Marlin and Nemo when we meet them.

(GRUNTS)

Wait. Wait, I know this place.

SIGOURNEY ON SPEAKER:

Hello. I'm Sigourney Weaver.

-There!

-Won't you please join us?

-That's the Marine Life Institute.

-Oh, you were born there.

Dory, is that where your friends are?

Yes! They were stuck in something.

It was going somewhere.

(TRUCK ENGINE STARTS)

(GASPS) A truck. They're in the truck!

That mean I could--

Never see them again!

No! No, no, no. What would Dory do?

Uh, I know they're good friends of yours,

but a truck is kind of a tall order.

Please! Please.

All I know is that miss them. I-- I...

I really miss them.

I've said that before.

Um...

Dory?

Mom, Marlin and Nemo are more than good friends, they're family.

And I have to get 'em back.

See, when they found me, it felt like fate.

Do you know what I mean? Or... I don't--

What another word for fate?

Like destiny. (GASPS) Destiny!

(VOCALIZING) Destiny!

-Dory?

-Destiny!

-Morning, Dest--

-Shh. It's Dory. Something's wrong.

(GASPS) Ooh.

I got her!

She's right outside the institute!

(DESTINY GROANS)

**-DORY:**

-We gotta jump.

-Jump?

-No time to argue!

Destiny!

Dory, the truck thing

with your friends is leaving!

No, no. (VOCALIZING) Destiny.

**JENNY:**

What do we do?

-All right.

-Yes.

-Here we go. One. Two.

-Yes. Yes.

I can't! I can't do it!

I'll never make it out there!

Destiny, I've got the world's most powerful pair of glasses.

You've got the world's

most powerful pair of glasses.

I will be your eyes.

You can be my eyes. But the walls!

There are no walls in the ocean!

-No walls?

-(WHISPERS) It's your destiny, Destiny.  
Well, why didn't you say so?!  
What? No! Destiny, wait!  
No, that's a wall! Wall!  
(SCREAMS)  
(ALL SCREAM)  
Mom, Dad, this is my pipe pal.  
Destiny, say hi.  
Dory! Are these little blue blobs  
your parents?  
They look just like you!  
Hello. I'm Bailey. Mrs. Dory, Mr. Dory.  
-Oh, please, call me Jenny.  
-Oh, and I'm Charlie.  
Okay. Okay. We gotta go.  
We gotta stop that truck.  
Okay, what truck?  
(DORY GASPS)  
Bailey. status report.  
Oh, yes, my beautiful gift! Ooh.  
Found it! The truck's merging  
onto the freeway and it's headin' south!  
Ooh.  
Let's go! We are stoppin' that truck!  
-This I've got to see.  
-Yeah, yeah, me too!  
-Oh, boy, this is gonna be good!  
-(GERALD SNICKERS)  
What the--? Gerald!  
Have you lost your marbles?  
-Don't get used to it, Gerald!  
-Cheeky joke.  
(SNICKERING)  
Bailey, I forgot everything.  
Catch me up.  
Yes, ma'am. Ooh.  
Your friends are still on the stuck.  
Ooh. They're headed north  
towards the bridge. Ooh.  
Oh, look, there's a bunch of  
cute otters over there.  
I want one! Ow!  
(SCREAMS)  
Ow, Bailey!

Oh! I see the truck. It's over there.  
-Okay, what would Dory do?  
-I don't see how we can get on it.  
Oh, man, if you only there was a way  
to stop traffic.  
Stop traffic. Stop traffic!  
Everyone needs to stop.  
People stop to look at things.  
Things that they like.  
Things there are cute.  
(GASPS) Things that are cute!  
Okay, I got it.  
-What? What is it?  
-Quickly before I forget.  
Destiny, when the truck reaches  
the bridge you flip me up there.  
Got it.  
You, guys, follow me.  
Everyone else, stay here.  
Whoa. Dory.  
Honey, you're not leaving us again.  
Your mother's right.  
You have to stay with us.  
Dory, what happens if--  
You know, if you're gone for too long.  
And what if you get confused and that  
makes you distracted. And what if--  
I lose you again?  
Oh. Yes.  
Mom, Dad,  
it's gonna be okay 'cause...  
I know that even if I forget  
I can find you again.  
Ooh. Okay a little left. Ooh.  
Back the other way a bit.  
Ooh. Okay, that's it. Go! Don't do it.  
-Bailey!  
-Okay, now! Now! Do it! Do it!  
-Time for your idea.  
-Okay. What idea? (SCREAMS)  
(SCREAMING)  
Okay. What do I do?  
What would Dory do?  
Come on, cars, cars. I see cars.

Otters in front of cars.

Cars have to stop.

Stop traffic! Cuddle party!

(OTTERS CHITTERING)

Look out!

(TIRES SCREECHING)

They're so cute!

Look at 'em! There must be one, two...

(ALL GROANING)

-What's goin' on, Dad?

-I don't know how.

I don't know in what way, but I think  
this has something to do with--

(PANTING)

**-ALL:**

-Water. Water. I need water.

Are you crazy? How'd you get here?

(GASPS)

**-BOTH:**

-Oh!

-I thought we'd never see you again.

-Aw, me, too.

But, darn it, no matter how hard I tried  
I just couldn't forget you.

I guess I missed the rest of my family  
too much, huh?

-We're family?

-Mm-hmm.

Do you know what that feels like?

(SIGHS) Yes, I know what that feels like.

**ALL:**

Hey! Hey, come on. Outta the truck.

Those aren't your fish. Shoo!

-Oh, no. There goes our ride.

-Back in the water. Come on.

(VOCALIZING) Dory,

the traffic is starting to move!

Leave it to me. I got this.

(CLEARS THROAT) Ooo-roo. Ooo-roo.

Becky! Becky, come back.

We need your help! Becky!

-(BECKY SQUAWKING)  
-(GASPS)  
Dory, follow me.  
No, no, wait. We don't have Dory!  
No, no, Becky, wait! Stop it.  
We need to go back. Becky, back!  
Back, Becky! Loo-loo. Ooo-roo-roo.  
-(SCREAMS) Please don't eat us!  
-Where's Dory?  
-Who are you?  
-Jenny?  
-Marlin?  
-Charlie?  
-Nemo?  
-(SQUAWKS)  
-Thank you very much!  
-Thank you for taking care of Dory!  
Dory! She's still in the truck!  
Becky! Fetch Dory! Ooo-roo. Dor-roo.  
(BECKY SQUAWKING)  
Okay, kid. I guess this is goodbye.  
-No!  
-What do ya mean, "No"?  
You're not going to the Cleveland.  
You are coming to the ocean with me.  
What is it with you  
and ruining my plans?!  
Listen to me, I have one goal in life!  
One! And it is to--  
No, you listen to me.  
What is so great  
about plans? I never had a plan.  
Did I plan to lose my parents? No.  
Did I plan to find Marlin? No.  
Did you and I plan to meet?  
Wait, did we?  
-Are you almost done?  
-Well, I don't think we did.  
And that's because the best things  
happen by chance. Because that's life.  
That's ya bein' with me out  
in the ocean not safe in some glass box.  
-Can I say somethin'?  
-I'm not done!

A friend of mine-- Her name's  
Sigourney-- Once told me that  
all it takes is three simple steps:  
Rescue, rehabilitation,  
and one other thing--

**ALL:**

That's right! So what do you say?

**ALL:**

Release! Release! Release!  
Release! Release! Release!  
-Release! Release! Release!  
-(SQUAWKING)  
I was gonna say, "Okay."  
Not good.

**JENNY:**

**NEMO:**

Quick, guys, grab my fin!  
Ooh! He's trying to get the door open!  
Ooh! It's locked from the outside!  
Come on, Dory! You can do it!  
Destiny! Destiny! Wall, wall, wall!  
(DESTINY SCREAMS)

**MARLIN:**

**DESTINY:**

-Bailey, where are they headed?  
-Ooh. I'm losing 'em!  
(DOOR HANDLE CLICKING)  
Dory, it's over.  
-No, there's gotta be a way.

**-ALL:**

Dory, now, listen to me.  
There's no way to get out.  
But... there's gotta be a way.  
There's always a way.  
There isn't, Dory! I'm telling you!  
This time there is no other way!  
Well, what about that?

Holy carp. There is another way.  
(EXHALES) Take a deep breath, kid!

**ALL:**

Release! Release! Release!  
Release! Release! Release! Release!

(SCREAMING)

**CARL:**

What the--?  
Suck it, bipeds.  
All right, Hank, you've got seven arms--  
I love to know. Just try something.  
-Okay. Here we go.  
-(HONKING)  
-Huh? Hey! Stop. Stop. Wait! No!  
-Hey! Hey! Stop. Wait. Oh, no!  
-That's doing something.  
-And we are moving. Good job, Hank.  
-Wait, wait, wait! Come on! Whoa!  
-Hey! What? Hey! Stop! Wait. Wait.  
Listen, I'm not tryin' to tell you  
how to drive. Certainly, I can't do--  
I'm not in any position--  
But could you go faster?  
(GRUNTS)  
No! No, no! No, no, no!  
-(TIRES SCREECHING)  
-(GASPS)  
-Whoo!  
-Hey! Give us our truck back!  
I can't see squat!  
Which way are we going?  
Okay. Well, all the cars  
are going left so go left.  
Gilman Street. Ashby Avenue. Powell.  
Gilman Street again. Huh.  
Gilman Street again.  
How much longer  
are we gonna veer left?  
Okay, we just need to know  
how we got on,  
then we'll know how to get off.

Well, let me know  
when you figure it out.  
Unfortunately, I can't remember  
how we got on.  
(GASPS) Hey, I know those guys!  
That's where we came from. Turn right.  
Here we go!  
(TIRES SCREECHING)  
(ALL SCREAM)  
-Hey! Hey, hey, hey! Wait!  
-Oh, my-- Whoa. Hey!

**DAISY:**

**DORY:**

Left. No, no, no. Right. Right. Right.  
-Good drivin', Hank.  
-Pay attention to the road.  
Oh, I'm sorry. Oh. Uh-oh.  
Fork in the road.  
-Which way?  
-Ocean. Ocean. Hey, a boat!  
You know, I haven't had  
great experiences with boats, but I--  
-Which way?  
-Boats go to the ocean. Right!  
Hold on!  
(ALL SCREAM)  
We're outta time, kid.  
Where do we go now?  
Um... Okay, I'll figure it out.  
I don't know, but--  
Well, somethin'  
will come and-- (GASPS)  
Seagulls. Hank, follow those birds!  
The ocean's left, Hank.

**SEAGULLS:**

Mine, mine, mine, mine.  
Oh. Hold on. Ooh.  
I'm gettin' something.  
Is it them? Is everything perfect?  
Uh-oh, it's the fuzz. Busted.  
(SIRENS WAILING)

Okay, we're good. The ocean!  
It's straight ahead. Floor it!  
Now we're talking!  
-Oh. Uh-oh!  
-What do ya mean, "Uh-oh"?  
Oh, no. What would I do?  
What would I do? What would I do?  
Hank, I'm gonna ask you  
to do something crazy.  
I'm okay with crazy.  
All right, Hank.  
Ooh. There's no way out, it's over!  
They're going to fish jail! Ooh!  
Wait. Ooh. Oh, no. Ooh.  
Get back! Incoming!  
(DORY AND HANK SCREAMING)

(ALL CHEERING)

Whoo-hoo!

Whoo-hoo!

(SNEEZES)

Thank you for joining me.

DORY; One, two, three, four...

Uh...

Wait a minute. Why am I counting?

Hey, where is everyone?

Uh-oh, did they leave me?

No! No, no. They wouldn't do that.  
Okay. That's okay. I can figure this out.  
What was I just doing then?  
I was, um, covering my face,  
so I was trying to hide.  
Okay, so why was I trying to hide? Wait!  
(GASPS) Oh, I-- Five, six, seven, eight,  
nine, ten.  
Ready or not, here I come!  
-Ha! Found you!  
-(LAUGHING)

**HANK:**

recess is over!  
-Aw, man!  
-Ah, nobody found me!  
Bring it in. Time for another--  
Don't touch me!  
Time for another lesson!  
When is Mr. Ray coming back  
from his migration?  
If he's smart, he'll stay away from here  
as long as he can.  
But until he does,  
I'm your substitute teacher.  
Okay, kids, who wants to learn  
about echolocation?

**-CHILDREN:**

-Nobody!

**DESTINY:**

It's actually really cool!  
(ALL LAUGHING)  
Okay, kelpcake, have fun!  
Nice day for a swim, huh?  
All right! Bye, Mom! Bye, Dad!  
Well, I guess we'll go back home  
and brush up on the anemone.  
You coming, Dory?  
Me? Oh, I'm just going to the drop-off.

Oh, okay. What? The drop-off? No!  
That's-- That's a good idea?  
Yeah. I just thought  
I'd go enjoy the view. Bye.  
The view. Well, you have a good time!  
All by yourself. Not getting lost.

(HUMMING)

(PANTING)

Oh!

Huh?

Oh, no, no, no. No, no.

No, no, Dory. Dory. Dory! D--

-Hey, Marlin.

-Oh, hey. Hello, Dory.

You all right? You look worried.

No, no, no. I'm fine.

It's how I always look.

What?

Well, I just--

(CHUCKLES)

You did it.

(GASPS)

**-JENNY:**

-You did it, kelpcake!

-Yes!

-(LAUGHS) Did what?

Sweetie, you just followed the shells  
all the way back home.

Oh, my gosh! I did? All by myself?

-Yeah.

-Do you know what this means?

It means you can do

whatever you put your mind to, Dory.

**BABY DORY:**

(FISH LAUGHING PLAYFULLY)

(GASPS) Mommy,

can I go play with them?

-Yes.

-Absolutely! Go get 'em, kelpcake!

(LAUGHING)

Yeah. I did it.
